

TREATING ADOLESCENT SEX OFFENDERS ____ IN THE COMMUNITY ____

By

CHARLENE STEEN, PH.D., J.D., M.S.W.

and

BARBARA MONNETTE, M.S.W.

This volume presents a comprehensive design for outpatient community treatment of adolescent sex offenders. The authors provide a rationale for keeping the young offender in the community and stress an interdisciplinary approach whereby criminal justice and therapy agencies work together to plan and monitor treatment. Initial intervention procedures, interview forms, and assessment tools are included to assist evaluators; and such significant therapist issues as training, emotional concerns, processing, and networking are examined.

Treating Adolescent Sex Offenders In The Community

Stephen Lundrigan

Treating Adolescent Sex Offenders In The Community:

Treating Adolescent Sex Offenders in the Community Charlene Steen, Barbara Monnette, 1989 *Sex Offender Treatment* Edmond J Coleman, Michael Miner, 2013-10-23 Examine the major advances in sexual offender treatment over the last decade and promising new concepts in treatment supervision and research Sex Offender Treatment Accomplishments Challenges and Future Directions points the way toward humane dignified effective treatment regimes for sexual offenders In addition to providing an essential overview of the current state of sex offender treatment this book examines vital areas of service provision and research and points to future directions for the field On the medical psychological front this volume explores the importance of recognizing comorbid psychiatric factors in treatment and of exploring central nervous system function s role as a cause of sexually inappropriate behavior In the legislative justice arena it illustrates a Circles of Support proposal that mobilizes community resources to aid the adjustment of released offenders rather than branding them as dangerous to the community And in the area of service provision this book presents a treatment approach for residential programs that is inspired by research on childhood behavioral problems and special education This book will increase your effectiveness with a model of multisystemic treatment for juvenile sex offenders a restorative justice approach for reintegrating adult offenders into the community a study of the physical mental correlates of organic brain dysfunction a case report on the use of a pharmaceutical treatment leuprolide acetate for pedophiles *Toolkit for Working with Juvenile Sex Offenders* Daniel S. Bromberg, William T. O'Donohue, 2014-03-04 Juvenile sex offender therapy has changed markedly since it emerged in the 1980s Toolkit for Working with Juvenile Sex Offenders provides therapists with a summary of evidence based practice with this population including working with comorbid conditions and developmental disabilities It provides tools for use in assessment case formulation and treatment and includes forms checklists and exercises The intended audience is practitioners engaged in the assessment and treatment of juveniles whose sexual interests and or behaviors are statistically non normative and or problematic Readers will find a chapter on academic assessment and intervention a domain frequently not covered by texts in this field Identifies evidence based treatment practice specifically for juveniles Provides tools for assessment case formulation and treatment Covers treatment in comorbid conditions or developmental disabilities Contains forms checklists and client exercises for use in practice **Managing High Risk Sex Offenders in the Community** Karen Harrison, 2010-03 This book explores the issues surrounding sex offenders evaluating the measures in use or being considered including drug treatment MAPPA the use of the Sex Offender Register restorative justice techniques and treatment programmes *Treating Youth Who Sexually Abuse* Stephen Lundrigan, 2014-01-14 A comprehensive program of treatment for adolescent sex offenders Covering every phase from assessment to relapse prevention this valuable book offers specific suggestions and backs them with the latest research as well as years of clinical experience Treating Youth Who Sexually Abuse An Integrated Multicomponent Approach is a training tool reference book and field manual for the use of

therapists administrators and everyone involved with the assessment treatment and placement of sexually abusive youth Beginning with a broad view of the continuum of programs available and the structure of the service delivery system that provides treatment Treating Youth Who Sexually Abuse continues with specifics of program policy and design in both outpatient and inpatient settings From choice of client to aftercare the book covers the specifics of pretreatment various modalities of therapy inpatient and outpatient programs and relapse prevention programs The foundations of program structure and the specific components such as family therapy group therapy milieu treatment are integrated to make a powerful flexible and above all effective treatment tool Treating Youth Who Sexually Abuse offers practical advice and help for therapists and administrators including ready to use treatment materials reproducible group curricula sample schedules for full day treatment and afterschool programs discussions of staff training and administrative concerns information on liability issues ideas for coordinating care with other treatment providers Treating Youth Who Sexually Abuse An Integrated Multicomponent Approach is an essential training tool for students a field manual for professionals and a reference book for everyone interested in sex offence specific treatment for youth With case studies diagnostic criteria helpful tables and diagrams listings of organizations in the field and Web addresses this volume deserves a permanent place on your professional bookshelf

Treatment of Sex Offenders in Social Work and Mental Health Settings John S. Wodarski, 1989 This timely book focuses on social work practice with sexual offenders in community mental health settings Practicing professionals and academicians present both theoretical and empirical material covering three major classifications the incest offender the violent offender and the social decency offender Because today's sexual offenders are often turned away from psychiatric hospitals and instead served in open community centers professionals in mental health centers and related human service agencies must be prepared to treat them In this remarkably candid and instructive volume experts equip psychiatrists psychologists social workers and other professionals in mental health settings with valid up to date techniques for working with sexually aggressive children mentally retarded sex offenders and incest families

Handbook of Clinical Intervention with Young People who Sexually Abuse Gary O'Reilly, 2004 This handbook reviews the growing body of empirical and theoretical knowledge on juvenile sex offenders and indicates how this knowledge can be used to guide and develop evidence based practice for assessment and treatment

Handbook of Violence Risk Assessment and Treatment Joel T. Andrade, 2009-03-23 This book describes violence risk assessment in both juveniles and adults incorporating dynamic and static factors along with treatment alternatives Research and practice are combined quite nicely along with assessment and treatment There is something for everyone here Score 91 4 stars Doody's Forensic clinicians will find this book to be a valuable reference book as well as a very useful clinical treatment guide relevant to violent offenders Jeffrey L Metzner MD Mental health practitioners are confronted with the difficult task of assessing the risk that offenders pose to the general public This comprehensive volume provides practitioners with the knowledge and insight

necessary to conduct violence risk assessments and to synthesize clinical and research data into comprehensive reports and oral testimony Violence risk assessment requires a well formulated and comprehensive risk management plan Andrade and the authors present that plan and demonstrate how it can be clearly implemented in practice With numerous clinical case studies this book illustrates the process of conducting violence risk assessments outlines the tools used in these evaluations and explains how information is translated into an overall assessment and guide for future risk management Key Features Investigates the etiology of violent behavior and provides a review and analysis of recent literature Discusses both adult and youth violence providing insight into the developmental course of aggressive behavior throughout the lifespan Contains chapters on special populations including female offenders intimate partners psychopathic and mentally ill offenders and sexually abusive youth Useful to practitioners from various fields including social work psychology and psychiatry as well as students in these disciplines Ultimately this book provides practitioners with an understanding of risk assessment treatment and risk management serving as an authoritative guide to applying empirical findings to mental health practice

A Guide for Treating Adolescent Sexual Abusers in Residential Settings Jimmy D. McCamey Jr. Ph.D.,2016-10-26 Treating adolescent sexual abusers in the context of the community is not a new phenomenon but research suggests as states revise their way of providing residential treatment services to adolescents with sexual abusive behaviors there is a need to better understand how and when to treat this difficult population with a community treatment model that ensures best practice approaches that provides tested and proven treatment modalities for adolescent sexual abusers who are provided community based residential treatment services This guide for treating adolescent sexual abusers addresses that question and explains the role of community based residential treatment programs to ensure quality tested and proven clinical interventions and the safety of others in the community All the case studies that I have included in this guide for residential treatment with children and adolescents who sexually abuse have come from my twenty year experience research and personal conversations with adolescent sexual abusers In consideration of the privacy of those individuals given names and identifying circumstances have been changed thus such names used in the case studies does not represent an actual client I worked with during the past twenty years

Handbook of Adolescent Behavioral Problems Thomas P. Gullotta,Gerald R. Adams,2007-08-26 As we enter the new millennium promoting sound mental health and positive behavior of adolescents has undeniably taken on greater significance than ever before To that end more and more research is confirming what many have suspected for years environment and community surroundings have a major affect on an adolescent s well being and overall mental health And because no single causal agent triggers teenage pathology and no one size fits all treatment is available the Handbook of Adolescent Behavior Problems offers a comprehensive and integrative biopsychosocial approach to effective practice This volume examines not only the psychological and genetic factors underlying dysfunction it also explores the critical roles that family members peers and the larger community play in an adolescent s life It offers current

interdisciplinary perspectives on adolescent development both functional and pathological and provides coverage that is clear accessible and practical on such topics as Major disorders including depression anxiety schizophrenia ADHD PTSD developmental delays and conduct disorders Behavior problems such as substance abuse sexual offenses teen pregnancy school failure gambling and gang violence Best practices reviewing what works i e interventions that have been rigorously validated what might work i e those in need of further study and what doesn t work Residential interventions as well as community treatment Risk and resiliency factors Ongoing and emerging pharmaceutical issues Each chapter focuses on a specific behavior or disorder and is formatted to help readers quickly locate needed information The Handbook of Adolescent Behavior Problems provides a solid foundation for understanding the adolescent experience and the influence of the family and community as well as much needed information on the development of evidence based practices It is designed to be a one stop reference for anyone working with adolescents developmental psychologists clinical and school psychologists and education specialists as well as for graduate students in these areas
