be discussing some subject with great earnestness For convenience sake we have said hitherto two gentlemen One of the parties however when critically examined did not seem strictly speaking to come under the species He was a short thick set man with coarse commonplace features and that swaggering air of pretension which marks a low man who is trying to elbow his way upward in the world He was much over dressed in a gaudy vest of many colors a blue neckerchief bedropped gayly with yellow spots and arranged with a flaunting tie quite in keeping with the general air of the man His hands large and coarse were plentifully bedecked with rings and he wore a heavy gold watch chain with a bundle of seals of portentous size and a great variety of colors attached to it which in the ardor of conversation he was in the habit of flourishing and jingling with evident satisfaction His conversation was in free and easy defiance of Murray s Grammar and was garnished at convenient intervals with various profane expressions which not even the desire to be graphic in our account shall induce us to transcribe His companion Mr Shelby had the appearance of a gentleman and the arrangements of the house and the general air of the housekeeping indicated easy and even opulent circumstances As we before stated the two were in the midst of an earnest conversation That is the way I should arrange the matter said Mr Shelby I can t make trade that way I positively can t Mr Shelby said the other holding up a glass of wine between his eye and the light Why the fact is Haley Tom is an uncommon fellow he is certainly worth that sum anywhere steady honest capable manages my whole farm like a clock You mean honest as niggers go said Haley helping himself to a glass of brandy No I mean really Tom is a good steady sensible pious fellow He got religion at a camp meeting four years ago and I believe he really did get it I ve trusted him since then with everything I have money house horses and let him come and go round the country and I always found him true and square in everything Some folks don t believe there is pious niggers Shelby said Haley with a candid flourish of his hand but I do I had a fellow now in this yer last lot I took to Orleans t was as good as a meetin now really to hear that critter pray and he was quite gentle and quiet like He fetched me a good sum too for I bought him cheap of a man that was bliged to sell out so I realized six hundred on him Yes I consider religion a valeyable thing in a nigger when it s the genuine article and no mistake Well Tom s got the real article if ever a fellow had rejoined the other Why last fall I let him go to Cincinnati alone to do business for me and bring home five hundred dollars Tom says I to him I trust you because I think you re a Christian I know you wouldn t cheat Tom comes back sure enough I knew he would Some low fellows they say said to him Tom why don t you make tracks for Canada Ah master trusted me and I couldn t they told me about it I am sorry to part with Tom I must say You ought to let him cover the whole balance of the debt and you would Haley if you had any conscience Well I ve got just as much conscience as any man in business can afford to keep just a little you know to swear by as t were said the trader jocularly and then I m ready to do anything in reason to blige friends but this yer you see is a leetle too hard on a fellow a leetle too hard The trader sighed contemplatively and poured out some more brandy

Uncle Tom's Cabin Harriet Beecher Stowe, 2017-09-25

Uncle Tom's Cabin or Life Among the Lowly is an anti-slavery novel by American author Harriet Beecher Stowe. Published in 1852, the novel helped lay the groundwork for the Civil War, according to Will Kaufman. Stowe, a Connecticut-born teacher at the Hartford Female Seminary and an active abolitionist, featured the character of Uncle Tom, a long-suffering black slave around whom the stories of other characters revolve. The sentimental novel depicts the reality of slavery while also asserting that Christian love can overcome something as destructive as enslavement of fellow human beings. Uncle Tom's Cabin was the best-selling novel of the 19th century and the second best-selling book of that century following the Bible. It is credited with helping fuel the abolitionist cause in the 1850s. In the first year after it was published, 300,000 copies of the book were sold in the United States, one million copies in Great Britain. In 1855, three years after it was published, it was called the most popular novel of our day. The impact attributed to the book is great, reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War, Lincoln declared, "So this is the little lady who started this great war." The quote is apocryphal; it did not appear in print until 1896, and it has been argued that the long-term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals to affirm the role of literature as an agent of social change. The book and the plays it inspired helped popularize a number of stereotypes about black people. These include the affectionate, dark-skinned mammy, the pickaninny, the stereotype of black children, and the Uncle Tom or dutiful, long-suffering servant faithful to his white master or mistress. In recent years, the negative associations with Uncle Tom's Cabin have to an extent overshadowed the historical impact of the book as a vital antislavery tool. The book opens with a Kentucky farmer named Arthur Shelby facing the loss of his farm because of debts. Even though he and his wife Emily Shelby believe that they have a benevolent relationship with their slaves, Shelby decides to raise the needed funds by selling two of them. Uncle Tom, a middle-aged man with a wife and children, and Harry, the son of Emily Shelby's maid Eliza, to a slave trader. Emily Shelby is averse to this idea because she had promised her maid that her child would never be sold. Emily's son George Shelby hates to see Tom go because he sees the man as his friend and mentor. When Eliza overhears Mr. and Mrs. Shelby discussing plans to sell Tom and Harry, Eliza determines to run away with her son. The novel states that Eliza made this decision because she fears losing her only surviving child; she had already miscarried two children. Eliza departs that night, leaving a note of apology to her mistress. Tom is sold and placed on a riverboat which sets sail down the Mississippi River. While on board, Tom meets and befriends a young white girl named Eva. Eva's father, Augustine St. Clare, buys Tom from the slave trader and takes him with the family to their home in New Orleans. Tom and Eva begin to relate to one another because of the deep Christian faith they both share.
