The Globe readers (ed. by A.F. Murison). *Primer 1,2; Book 1-6* Alexander Falconer Murison, 1881 *The Paisley magazine Vol 1* , **Fate's Twisted Circle Vol. 1** C.A. McJack, 2013-05-01 An American soldier Sergeant Abbey McJack finds herself recently widowed in the Iraqi war Her life tour and her original career in aviation cut short She had lost everything she held dear to her from the love of her life to her ideals her faith and dealing with the world in general Having no family of her own her deceased husband's family already distant and mute she is advised by a mutual friend and co worker to take stock of her life and to take a trip abroad in order to find out what she wants to do with her new life In her travels she ends up in Ullapool finding the idyllic life much to her liking that she finds starting over much easier than she thought until she meets Gregory McGregor For Greg this new and attractive tourist piques his interest though he is not the only one in the small town to notice her He finds her weary from her tour of duty in the American Iraqi war He first assumes she is on military leave for she barely talks about the past and keeps to herself on most occasions In due time he realizes they may have met before and is reminded of his promise for revenge For she was the one to cost him nearly his life and for taking his brother's life practically rendering his family apart However there was one small problem he had become smitten with her Did the fates of fate have a sick sense of humor or was God above to blame Only time would tell completing its full intricate weave on its circular path **Ancient Egyptian Clothing: Studies in Late Period Private Representations** Aleksandra

Hallmann, 2024-01-22 Winner of the Erazm Majewski Award in archeological publications from the Division I Humanities and Social Sciences of the Polish Academy of Sciences This lavishly illustrated book provides a comprehensive analysis of clothing in Late Period Egypt 750 to 332 BC through a comparison of representations on reliefs paintings and statues to preserved textiles and supplemented by references in ancient texts It shows the historical evolution of clothing that extends far beyond the Late Period The book reveals the influence of archaism and innovation as well as how clothes reflect geography ethnicity and social roles It provides some new criteria for dating and interpretation of representations through careful examination of changes in Egyptian fashion The resulting work is of value to anyone studying dress in ancient Egypt and other areas of the ancient world A Hallmann's work remains an essential reference first and foremost because of the treasury of visual material which it conveniently places at one's fingertips Robert Steven Bianchi in JARCE 60 2024
