Beautiful Chaos Tara Ellis, 2018-05-10 Nora doesn't know how she started sleeping with her son-in-law Garrett. She just knows she can't stop. When guilt begins to override her lust, she decides it's better to end things now before her daughter Kendria finds out. Garrett, however, isn't willing to let Nora go that easily. Kendria notices the cracks in her marriage to Garrett and she's willing to do anything to save it from falling apart. But when a love from her past comes colliding into her present, her focus on her marriage is soon deviated. Karis is pregnant with her fourth child and unhappily married to Derrick, who worships the ground she walks on but can't hold down a job to support the household. Fearing he's about to lose his wife, Derrick turns to street hustler Niko for employment. Niko agrees to put Derrick on but he has ulterior motives and his eyes on Derrick's wife. Lust, lies, and deceit override bonds that should never be broken. Soon everyone will have to face the consequences of every lie spoken.

Great Canadian Film Directors George Melnyk, 2007-06-15 Film directors articulate creative visions that provide insights into national cultures. 18 essays highlight Canada's prominent Anglophone and Francophone filmmakers.

The Erotic Thriller in Contemporary Cinema Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film: the erotic thriller. Linda Ruth Williams traces the genre's exploitation of pornography and noir, discusses mainstream stars including Michael Douglas and Sharon Stone, as well as genre-branded direct-to-video stars, charts the work of key producers and directors, and considers home videos as a distinct form of viewing pleasure. She maps the history of the genre, analyzing hundreds of movies from blockbusters such as *Basic Instinct*, *Fatal Attraction*, and *In the Cut* to straight-to-video film titles such as *Carnal Crimes*, *Sins of Desire*, and *Night Eyes*. Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century. She shows that as the erotic thriller plays out the sexual fantasies of contemporary America, it also provides a vehicle for marketing those fantasies globally.

Good-Vs-Evil Anastacia Burrell, 2018-12-29 God is there to save you from harm. The devil can't take no more than you can't ever have in life. On what you can have is yours in life, who stands by the great waterfalls of life, stands for ups and downs. Everything is meant for a reason because you wonder why your life is so blocked from others because something maybe missing in order to put common sense together, which was unsaid and done that needs to be done so you cherish the memory of that day of your life. Every stone you can ever take and every breath in your body give it to God and glory and take a deep breath and praise God. Trials must be mistaken because whatever you do or whatever you did, it must be something or what you did needs to be fixed and prepared of a dislike, compare to or a distance. A distance is a challenge of course or a state of mind. What people do for a living is the unit of life. It's the bad things that you do that makes trials go wrong and bad rather than right. One way it is or another and one way it doesn't. What you do or what you don't do, you pick up the pieces of the puzzles and get it right on time, on the dot and line, and you take a piece of the pie, what you like and dislike and show and

prove the way you want it You talk about the good old times and sometimes it s about the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life You take that and swipe your shoulders off The greater it is the badder it maybe It can be fixable that same day or a couple of days a head Trouble don t last always and not for long That s how it works and what should be done and you take it and fix everything that has been broken You stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can t do you don t have to do it or put up with it Be yourself and do all that you can do as possible and that s all you can do You cannot please everyone because it s gonna have a passing moment when you can do something or not and you will be tired of it It also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells Buddhism voodoo and many more
