Underground Cathedrals Alternative Worship:

Underground Cathedrals Mark Patrick Hederman, Fanny Howe, 2010 **Tracing the cultural legacy of Irish Catholicism** Eamon Maher, Eugene O'Brien, 2017-04-06 This book traces the steady decline in Irish Catholicism from the visit of Pope John Paul II in 1979 up to the Cloyne report into clerical sex abuse in that diocese in 2011 The young people awaiting the Pope's address in Galway were entertained by two of Ireland's most charismatic clerics Bishop Eamon Casey and Fr Michael Cleary both of whom were subsequently revealed to have been engaged in romantic liaisons at the time The decades that followed the Pope's visit were characterised by the increasing secularisation of Irish society Boasting an impressive array of contributors from various backgrounds and expertise the essays in the book attempt to trace the exact reasons for the progressive dismantling of the cultural legacy of Catholicism and the consequences this has had on Irish society

China, Human Rights and MFN United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Economic Policy, Trade, and Environment, 1994 Distributed to some depository libraries in microfiche Multiculturalism and Religious Identity Sonia Sikka, Lori G. North Korea, International Law and the Dual Crises Morse Tan, 2015-04-24 The Democratic People's Republic of Korea DPRK has a reputation as one of the worst human rights situations in the world This book utilizes a unique international law perspective to examine the actions and inactions of North Korea with regard to international security and human rights Adopting political military historical and legal perspectives the book explores how the two issues of nuclear weapons and the human rights abuses in North Korea are interconnected and why the international community should apply the same international law framework to find a solution for both Drawing on eyewitness accounts such as refugee and defector testimony Morse Tan offers a real life story of North Korea that covers the pertinent law and constructive approaches of its regime Tan examines the specific objectives and actions of the North Korean government and measures these according to international legal obligations such as applicable treaty law jus cogens norms and customary international law The book concludes by offering solutions for dealing with international security surrounding the Korean Peninsula and forwards a proposal for the creation of a tribunal to prosecute those at the top of the regime for international crimes and human rights abuses As a project exploring the extremes of international law violation this book will be of great interest and use to readers interested in the history and political and legal implications of the strategies employed by the North Korea government

The Catholic Church in Ireland Today John C. Waldmeir, David Carroll Cochran, 2015-01-22 From a Church that once enjoyed devotional loyalty political influence and institutional power unrivaled in Europe the Catholic Church in Ireland now faces collapse Devastated by a series of reports on clerical sexual abuse challenged publicly during several political battles and painfully aware of plunging Mass attendance the Irish Church today is confronted with the loss of its institutional legitimacy This study is the first international and interdisciplinary attempt to

consider the scope of the problem analyze issues that are crucial to the Irish context and identify signs of both resilience and renewal In addition to an overview of the current status and future directions of Irish Catholicism *The Catholic Church in Ireland Today* examines specific issues such as growing secularism the changing image of Irish bishops generational divides Catholic migrants to Ireland the abuse crisis and responses in Ireland and the United States Irish missionaries the political role of Irish priests the 2012 Dublin Eucharistic Congress and contemplative strands in Irish identity This book identifies the key issues that students of Irish society and others interested in Catholic culture must examine in order to understand the changing roles of religion in the contemporary world **China**, 2003 **Protestant Christianity in the Indian Diaspora** Robbie B. H. Goh, 2018-02-08 This is the first comprehensive study of Protestant Christian religious identities in the Indian diaspora Using qualitative interview methods Robbie B H Goh captures the experiences of Indian Protestants in ten different countries and regions describing how Indian communal Christian identities are negotiated and transformed in a variety of diasporic contexts ranging from Canada to Qatar Goh argues that Christianity in India developed within discrete and varied ecologies translates in the diaspora into a model of small communal churches that struggle with issues of community maintenance evangelical growth and Pentecostal influences He looks at the significance of Christianity's abject position in India the interplay and tension between evangelicalism and Pentecostalism Pentecostalism's insistence on religious endogamy particularly among women intrareligious differences along generational lines the actions of Hindutva hard line elements and other factors in the construction and transformation of diasporic religious identities and affective attachments to India *Country Reports on Human Rights Practices*, 1992 **The ... Political Risk Yearbook**, 1990 **The Christian Century**, 1951 *The Catholic Church in Post-Mao China* Angelo S. Lazzarotto, 1982 *Christianity Today*, 1988 *New Sources of Self* T. R. Young, 1972 *New Sources of Self* investigates the self and its origins functions development and expression A central theme in this book is that the psychobiological capacities of individuals are in the process of being replaced in modern society by the electromagnetic capacities of technology by the decision making and control capacities of business systems and by the physical capacities of modern industrial machinery Some of the consequences of this replacement are explored This monograph is comprised of seven chapters and begins by reexamining the assumption that self and society are intertwined and challenging the necessity of the social order being the primary source of human nature The next chapter considers the delineation and measurement of the self system the cybernetics of self control and the sociological and psychological perspectives of self The argument that the separation of self and society is tragic is also analyzed together with some contemporary social movements as ventures in the private construction and private use of self the processes by which self is linked to social structure and whether these processes are operative in the large scale organizations typically found in a complex industrial society and some sources and uses of self This text will be of interest to sociologists psychiatrists clinical and social psychologists and psychiatric social workers *The Pro & Con Book*
