Understanding Children as Consumers David Marshall, 2010-04-30 Looking at consumption from the child's perspective this book differs from the competition by uncovering what being a consumer means to the children themselves from their perspective giving them a voice in the debate

Fast-Food Kids Amy L. Best, 2017-02-28 The book provides a thorough account of the role that food plays in the lives of today's youth teasing out the many contradictions of food as a cultural object fast food portrayed as a necessity for the poor and yet reviled by upper middle class parents fast food restaurants as one of the few spaces that kids can claim and effectively take over for several hours each day food corporations spending millions each year to market their food to kids and to lobby Congress against regulations schools struggling to deliver healthy food young people will actually eat and the difficulty of arranging family dinners which are known to promote family cohesion and stability amazon.com

Relationship Marketing Steve Baron, Tony Conway, Gary Warnaby, 2010-04-20 The relationship between a market and a consumer is complex Far from simply an exchange of services there is an often complex transaction of feeling meaning and experience How does the study of relationship marketing interpret this In this exciting new book the authors explore the factors of relationship marketing in its contemporary context with the consumer in mind From the experience of a football club supporter to experiences of gap year travel to text messaging behaviour and to using the library the focus of this text is on the consumer perspective From this angle issues of relationship marketing and its management take on a new and exciting bearing Topics examined include frameworks for analyzing the consumer experience consumer communities issues of customer loyalty the impact of ICT on relationship marketing and the creative consumer Each chapter is supported by or based on an in depth case study many of which are drawn from the authors research
