

# The Treaty of Versailles

**Why did the Germans hate the Treaty of Versailles so much?**

This is important to understand, because the way that the Germans reacted to the signing of the Treaty was a major factor in Hitler's rise to power.

In order to understand why the Germans hated the Treaty so much, we need to take a closer look at what some of the clauses within the treaty said.

1. **Germany had to accept total responsibility for starting the war.** This was called the "War Guilt Clause", or Article 231.
2. **Germany had to pay 13,000 million to the Allies** to cover the damage it had caused during the war. This was a form of compensation known as reparations.
3. **Germany had to hand over 70,000 sq km of its western land to the Allies.** The allies shared this land out as 'crown colonies' within Europe. For example, Alsace-Lorraine was returned to France (the Germans had taken it off France in 1871). West Prussia and Posen were given to Poland, and Eupen and Malmedy were given to Belgium. This was supposed to make Germany weaker, and make other European countries stronger. This would help to prevent Germany invading its neighbours in Central Europe in future years.
4. **Germany had to hand over all its colonies to the Allies.** Colonies are areas of land that are governed by a Foreign State although they are outside of that state – they are abroad. Germany's colonies amounted to about one million square miles. One of the largest areas to be taken from Germany was in Africa. The Union of South Africa administers most German South-West Africa. Britain, France and Belgium divided up the rest of the African land governed by Germany.
5. **The German armed forces were to be reduced greatly.** The Reichswehr (Army) were only allowed 100,000 men, and were not allowed to use conscription (forcing ordinary men to join the army for a period of time). The Navy was limited to 15,000 sailors.
6. **The German army had to be reduced greatly.** They were only allowed to keep 8 battle ships. They were only allowed 15,000 men.
7. **The use and production of weaponry was limited.**  
The Germans were not allowed an air force or any submarines. The Navy was only allowed six battleships and the buying of any further war materials was banned.
8. **The Rhineland had to be occupied by Allied troops.**  
This area bordered France and was meant to give the French greater security. The occupation was to last for fifteen years unless German troops were to be allowed into the area.
9. **What impact would this type of treaty have on Germany?**  
Complete the table to show how you think the treaty would have affected Germany.
