## **Trinidad And Tobago Macmillan Caribbean Dive Guides:**

**Trinidad and Tobago** Solomon Baksh, 2006-01-09 Trinidad and Tobago is the most southern of the Caribbean chain and offers some of the world's best diving. Over recent years dive holidays have greatly increased in popularity in the twin island state and they boast a large number of exciting dive locations with ideal conditions and clear waters. Tobago is particularly blessed in this regard. This comprehensive Macmillan Caribbean Dive Guide contains a wealth of information both practical and technical for the experienced and beginner alike. Each of the dive descriptions has a depth range, an indication as to grade, beginner, intermediate and advanced, as well as an invaluable GPS location. The names and addresses of the dive centers are listed for each dive along with tips on what to look out for, including a detailed marine life identification guide.

**Adventure Guide to Trinidad and Tobago** Kathleen O'Donnell, 2001-03 Although definitely a part of the Caribbean, these two islands are unique, refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies. They are both generous and Caribbean spirited but quite capable of going their own way. This Adventure Guide takes you across the nation from mountains and hills to grasslands, savannahs and palm lined beaches, offering the intrepid traveler a ticket to explore. Birdwatchers are drawn by the chance to see the beautiful scarlet ibis. Night time excursions allow visitors to watch the miraculous egg laying practices of the leatherback turtle. And caiman, smaller versions of the South's alligators, are a common sight. And then there's Carnival which offers wild dances, fantastical costumes and frenzied revellers. Whatever your reason to visit T & T, you have the right guide in hand. Accommodations, restaurants, travel tips, sights, museums, excursions, it's all here. A special section is dedicated to the nation's booming yachting industry with details on marinas, facilities and services. I wish I'd had this book the first time I visited Trinidad and Tobago. The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable. I also believe it's a good choice for readers who can't make the trip but still want to taste the culture. Amazon customer. I've been to TNT once for two weeks and am returning again in a few months. I bought the book to refresh my memory and more importantly get me

excited about my return trip It s a great read and as the back cover suggests it really is written for the traveler who wants to experience more than just sunbathing However once you ve been to Trindad and Tobago you discover that they are not your generic Caribbean islands Visiting Trindad and Tobago is more of a cultural vacation than an island getaway Once you step foot off the plane at Piarco airport you ll never want to leave or you ll want to go back once every year The two islands are full of charisma and O Donnell and Pefkaros do a good job of capturing this spirit in the book You really cannot be intimidated by the cultures of TNT From the street vendor corn soup to crab and dumplings down de islands Maracas Pigeon Point Speyside fried flying fish Caribs lorries maxis wining Trinidad s great bar club scene the Northern Range etc this book virtually covers all Trinidad and Tobago vacation opportunities and experiences Amazon customerAn excellent take long tote as is the more adventurous Trinidad Tobago 2nd Edition by Kathleen O Donnell and Stassi Pefkaros which updates information on adventure travel with special focus on the wildlife and culture of the islands Midwest Book Review

Caribbean Islands Sarah Cameron,2005 This 16th edition of Footprints best selling guide covers all the major islands of the Caribbean from Anguilla and Aruba to Jamaica Puerto Rico and the U S Virgin Islands with detours to more out of the way locales like Isla de Margarita and Sint Eustatius The guide features objective recommendations of where to eat and stay from palatial accommodations to rustic beach huts Options for the adventurous traveler include trekking in Jamaicas Blue Mountains diving off Little Cayman salsa dancing in Cuba and sampling voodoo rites in Haiti Profiles of each islands history and culture offer useful context while a full color highlights map guides travelers to must see destinations and events
