Emily Brontë Charles Simpson,1977 The Poems of Emily Bronte Emily Brontë,1992-01-01 This new edition of Emily Bronte s poetry the first for 50 years contains all those poems which she herself chose to keep It is based on the texts of the three notebooks into which she transcribed her poems supplemented by others on single sheets scattered in various collections and the versions published in Poems by Currer Ellis and Acton Bell and in Charlotte s 1850 edition of the novels Variants between the Notebooks and the latter are listed in the Notes The majority of the poems stand without need of explanation However it is helpful to be aware of the context in which they were written and especially their relationship to the imaginary world of gonal shared by Emily and Anne This and the history are explained fully in the Introduction and Notes The Complete Poems of Emily Brontë Emily Brontë,1924 **The Complete Poems of Emily Brontë** Emily Brontë,1941 Wuthering Heights Emily Brontë,2020-11-18 Considered lurid and shocking by mid 19th century standards Wuthering Heights was initially thought to be such a publishing risk that its author Emily Bront was asked to pay some of the publication costs A somber tale of consuming passions and vengeance played out against the lonely moors of northern England the book proved to be one of the most enduring classics of English literature The turbulent and tempestuous love story of Cathy and Heathcliff spans two generations from the time Heathcliff a strange coarse young boy is brought to live on the Earnshaws windswept estate through Cathy s marriage to Edgar Linton and Heathcliff s plans for revenge to Cathy s death years later and the eventual union of the surviving Earnshaw and Linton heirs A masterpiece of imaginative fiction Wuthering Heights the author s only novel remains as poignant and compelling today as it was when first published in 1847
