Cornwall, 2021-09-29 What does your spiritual DNA look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many Christians have experienced several denominational and religious communities Many wonder what to do with these experiences At the same time many congregations are made up of people who come from different traditions and the question is how to bring these diverse experiences into the life of the congregation in an enriching way If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations what might this look like in terms of our spiritual lives Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations **Mission Foundations and other Essays** S. Nkhoma, 2020-07-09 The first two essays in this book examine the biblical and philosophical basis for mission in the post modern world emphasising the experiential quality of mission over

against the rational Subsequent essays discuss various aspects of mission with a focus on the Malawian context They highlight the impact of missionary work on the formation shaping and developments of Malawi as a national state Other essays examine various issues in New Testament scholarship including images of the Historical Jesus and how these relate to wisdom and apocalyptic traditions

The Believer's Guide on Personal Evangelism Dr. John Thomas Wylie, 2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus. After all they are the main eye witness accounts that we have of the Savior Jesus at work. Luke 1:23 John 20:30-31 John 1:1. Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name. John 20:31. Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live. We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it. The task of The Believer's Guide On Personal Evangelism is to bring people to faith in Jesus Christ. An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue. While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ. *Evangelism Outside the Box* Rick

Richardson,2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s Circles of Belonging a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus **Unscripted** Jeff

Iorg,2014-05-01 Christ was clear as you go you are to make disciples Imagine what the world might be like if you practiced those simple words as you go Unscripted empowers you to shake off stale evangelism techniques and programs and embrace a way of life that connects you with the spiritual power needed to effectively witness and where meaningful relationships are built through which your witness can flow Imagine the possibilities of what Christ wants to do when you live Unscripted

The Believer's Guide on Personal Evangelism John Thomas Wylie,Wylie,2019-05-22 One needs to go to the New Testament and the Gospels specifically to truly observe the evangelistic plan of Jesus After all they are the main eye witness accounts that we have of the Savior Jesus at work Luke 1 2 3 John 20 30 21 24 1 John 1 1 Certainly the Gospels were composed fundamentally to indicate to us Jesus Christ the Son of God and that by faith we can have life in his name John 20 31 Be that as it may what we neglect to acknowledge once in a while is that the revelation of that life in Christ incorporates the manner in which he lived and trained others to live We should remember that the witnesses who composed the books were not just witnesses to the truth they were changed by it The task of The Believer s Guide On Personal Evangelism is to bring people to faith in Jesus Christ An individual should unmistakably and coherently present the need for Jesus Christ and the provision God has made to address that issue While there are numerous approaches this book puts forward the plain facts and the directness of the straightforwardness simplicity of the gospel of our Lord and Savior Jesus Christ **Out of**

the Saltshaker Rebecca Manley Pippert,1985 **The Surpassing Power of the Gospel** Ed Lacy Compiled By: Dianne Lacy,2025-01-27 Evangelism should be the very heartbeat of every born again Christian flowing from their love of Jesus Christ In this book Ed Lacy reminds us of the transformative power found within the gospel message the message that is Christ centered from beginning to end The gospel stands as a beacon of light illuminating the path to salvation God has chosen the plan of salvation and the way to proclaim the good news Lacy beckons you to place your confidence in the

surpassing power of the gospel that cannot be found in a formula or man's philosophy but rather in the person and work of Jesus Christ alone. He invites us to behold the majestic plan of God the Father that sent His Son to be the Savior and Lord who in His perfect life, sinless death, and glorious resurrection accomplished what no other could: the salvation of sinners. Throughout these pages, each chapter builds upon one another, taking you from the foundation of God's work to its climax where all will stand before the Living God at the Bema Seat or the Great White Throne Judgment. You will encounter stories of lives transformed by the power of the gospel, stories of broken lives redeemed, purpose restored, and lives filled with unspeakable joy and contentment. Moreover, he emphasizes the essence of true evangelism: lies not in persuasive techniques or eloquent speech but in pointing people to Jesus Christ who alone can resurrect those spiritually dead in trespasses and sins and give them life eternal. Using the Word of God, he reveals the fruit of a life that has been changed by the power of the gospel. Journeying through these chapters, may you be inspired to share the gospel boldly and compassionately, striving to carry out God's work, God's ways, for God's glory. In *The Surpassing Power of the Gospel: Christ-Centered Evangelism*, Ed's passion and teachings live on. Compiled by his beloved wife of 44 years, Dianne, who worked alongside him in ministry, has conformed Ed's sermons, notes, and teachings into a powerful study on evangelism. Dianne, a women's bible teacher and conference speaker herself, honors Ed's legacy by bringing his unfinished work to completion. This work ensures that the mission of inspiring, equipping, and calling on believers to share the gospel with a lost and dying world presses onward for the glory of God.

Out of the Saltshaker & Into the World Rebecca Manley Pippert, 1999. Rebecca Manley Pippert's evangelism classic, thoroughly revised and expanded, contains new chapters on the stages of evangelism, new stories of God's work in people's lives, and added material on meeting the challenges of new competitors to the Christian faith.

Evangelism for Non-Evangelists Mark R. Teasdale, 2016-11-06. We have met evangelists, and they are not us. Sympathetic to the discomfort his students have about evangelism, Mark Teasdale gives us this refreshing, practical look at sharing the good news. He opens up a nonthreatening space, helping us learn how to express the gospel in a manner true to what we believe, authentic to who we are, and compelling to others. *Out of the Saltshaker & Into the World*, 1999.
