Under Construction Reframing Mens Spirituality:

Under Construction Gareth Brandt, 2009 Warriors lone rangers conquerors these are the common images that come to mind when talking about men But are those the only metaphors for Christian men Using the story of Joseph from the Bible Gareth Brandt shows how male spirituality reaches its height when it shows compassion to all people beginning with those close to us and finds meaning through participation in building God s commonwealth of love and justice 228 Pages

Spirituality with Clothes On Gareth Brandt, 2015-01-05 There is no such thing as a naked spirituality Our spirituality is always shaped by the clothes of our experience The quest of Spirituality with Clothes On is to acknowledge that we do wear clothes and by examining them we begin to understand ourselves and accept others who are wearing different outfits We are what we wear we cannot separate ourselves from our gender personality developmental stage family historical background culture or the difficult experiences of our lives We need to acknowledge all these things reflect on them and sometimes even embrace them in order to truly become ourselves Spirituality With Clothes On was quoted in Stuart Murray s fifth anniversary edition of *Naked Spirituality* *Living That Matters* Steve Thomas, Don Neufeld, 2023-02-07 Conversations that matter for men Do you wonder what it means to be a man Do you desire to grow Want something more Long for a life that matters Seek to make a difference in the world If so *Living That Matters* may be for you or your group This practical handbook is a guide to help individuals and groups engage in honest conversations on what matters most for men with a focus on following Jesus forming community and building peace With over 60 years of combined experience in pastoral ministry and social work geared toward men authors Steve Thomas and Don Neufeld offer many short reflections to help individuals and groups deepen relationships with one another with ourselves with our families and communities and with God as we seek to live into God s shalom a peaceable order with abundance security and justice for all and well being throughout creation *Wandering the Wilderness* Ray R. Friesen, 2020-03-16 *Wandering the Wilderness* is a guidebook for individuals who are unsure of their path or are questioning the trails they were taught in the past Author Ray Friesen is a former pastor and at the same time a life long believing skeptic He s an advocate for abundant living and the guideposts that mark it as outlined by Wholehearted Living researcher Dr Bren Brown *The Gifts of Imperfection* This informs Friesen s thoughtful submission for a renewed approach to finding meaning in a life informed by the Bible in a time when the relevance of those Ancient Writings is often thrown into question In *Wandering the Wilderness* Friesen has us stop listen and learn at thirteen trail posts along life s pilgrimage In addition to Brown he draws on the Ancient Writings Bible with the help of scholars like Walter Brueggemann Eugene Peterson and Peter Enns All of this is shaped in the context of his personal life experiences including his journey with cancer and chemotherapy The result is a book for all who are looking for a path in their own wilderness He invites the reader to understand that developing a Christian faith and spirituality can help re energize a life at times burdened with difficulty or plagued with aimlessness even maybe especially in this post modern age Here is a

thoughtful informed guide for wanderers weary from the journey and skeptics wondering where or if faith still matters Whether you read it alone or with fellow wanderers and or skeptics wishing to believe Wandering the Wilderness has the potential to transform your wandering Peaceful at Heart Don Neufeld, Steve Thomas, 2019-05-31 While there are plenty of books by men for men on the topic of Christian masculinity these books generally fail to address men s propensities for violence and the traditional inequity between men and women often endorsing inequity and sanctioning aggressive behavior as an appropriate manly response to conflict Peaceful at Heart cuts through this conversation by offering a uniquely Anabaptist Christian perspective on masculinity The vision of masculinity presented in this book is more peaceful just caring life giving for men and more sensitive to women and children than both traditional images of masculinity and the hypermasculine images promoted by contemporary popular culture and wider evangelical Christianity Peaceful at Heart addresses men and masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world Incorporating Spirituality in Counseling and Psychotherapy Geri Miller, 2002-11-18 This book through its well referenced and critically thoughtful approach has made an invaluable contribution to the counseling literature The extensive use of case studies and other applied materials makes it a valuable reference Dr Thomas J Russo Department of Counseling and School Psychology University of Wisconsin River Falls Incorporating Spirituality in Counseling and Psychotherapy presents an applied insightful and well researched overview of the theory practice and ethics of integrating spiritual and religious themes and rituals into traditional therapy models This well conceived and immensely readable text examines common barriers and bridges between spirituality and mental health and documents the effectiveness of using spiritual practices and concepts in treatment Most important it encourages readers through group activities and individual reflection to consider their own spiritual belief systems and biases before engaging clients in therapy with a spiritual base Key features of this book include A synopsis of the major Eastern and Western religions and spiritual movements Theoretical cultural and ethical implications of incorporating spirituality in counseling Practical methods for helping clients develop a spiritual identity Proven techniques for incorporating spiritual practices in treatment Case studies providing complex real life scenarios as well as questions and activities for individual and group discussion A practical book for students and a valuable resource for counselors psychologists social workers addiction specialists and other mental health professionals Incorporating Spirituality in Counseling and Psychotherapy offers expert guidance on how to handle issues of spirituality in furthering the therapeutic process New Age ,1999 Uniting Sex, Self & Spirit ,1993 **Essays on Communication & Spirituality** Amardo Rodriguez, 2001-11-08 Essays collected here reflect different theoretical and pedagogical areas of study in the communication field demonstrating how acknowledging spiritual assumptions might expand discourse on
