Cathryn Costello, Mark Freedland

Under The Queens Colours Voices From The Forces 1952 2012:

Under the Queen's Colours Penny Legg,2012-05-01 In 1952 Queen Elizabeth ascended to the throne In the sixty years of her reign so far there have been thousands of conscripts and regular service personnel who have served under the Queen s Colours This book celebrates their incredible achievement covering the period from 1952 to the Queen s diamond jubilee year 2012 Service men and women recall their experiences from post WW2 to the Falklands War in 1982 through to modern military service at the end of a millennium and into the first years of the twenty first century The book looks at life in barracks at home and overseas in a variety of hot and not so hot spots and major conflicts worldwide Male and female service personnel talk candidly about their experiences opening their world to an interested audience and allowing glimpses into military life This book is not just about war but the everyday lives of service men and women on land sea and in the air in celebration of a diamond jubilee *Protect and Keep* David Long,Gavin Whitelaw,2013-05-15 The summer of 2022 saw the celebration of the seventieth anniversary of Queen Elizabeth II s coronation the first time in British history that a monarch has reached this remarkable milestone As the event was the first of its kind to be televised images from the ceremony inside Westminster Abbey are instantly recognisable Far less familiar are the scenes in the streets outside where huge crowds assembled to see a procession of state coaches and historic regiments marching past public buildings festooned with patriotic banners and colourful grandstands erected outside many famous landmarks Using a private collection of more than 200 rare images of London s West End *Protect and Keep* looks back to the day that the Queen pledged herself to her country It provides a unique and precious record of an historic occasion the day of the Coronation as it was seen by ordinary members of the public *Tracing Your Army Ancestors* Simon Fowler,2013-03-19 This well known author has produced yet another excellent guide for researching ancestors who have served in the Army The book is an ideal text for reference when investigating army personnel Military Archive Research comA splendid publication with a great deal of valuable information Michael Brooker Guild of Battlefield GuidesWhether you are interested in the career of an individual officer researching medals awarded to a soldier or just want to know more about a particular battle or campaign this book will point you in the right direction Assuming the reader has no prior knowledge of the British Army its history or organization Simon Fowler explains what records survive where they are to be found and how they can help you in your research He shows how to make the best use of the increasing number of related resources to be found online and he pays particular attention to explaining the records and the reasons behind their creation as this information can be very important in understanding how these documents can help your research International Who's who in Music and Musicians' Directory David M. Cummings,2000 First published in 2000 Routledge is an imprint of Taylor Francis an informa company *International Who's Who in Poetry* 2004 Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets Migrants at Work Cathryn Costello,Mark Freedland,2014-10-30 There is a highly significant and under considered intersection and

interaction between migration law and labour law Labour lawyers have tended to regard migration law as generally speaking outside their purview and migration lawyers have somewhat similarly tended to neglect labour law The culmination of a collaborative project on Migrants at Work funded by the John Fell Fund the Society of Legal Scholars and the Research Centre at St John s College Oxford this volume brings together distinguished legal and migration scholars to examine the impact of migration law on labour rights and how the regulation of migration increasingly impacts upon employment and labour relations Examining and clarifying the interactions between migration migration law and labour law contributors to the volume identify the many ways that migration law as currently designed divides the objectives of labour law privileging concerns about the labour supply and demand over worker protective concerns In addition migration law creates particular forms of status which affect employment relations thereby dividing the subjects of labour law Chapters cover the labour laws of the UK Australia Ireland Israel Italy Germany Sweden and the US References are also made to discrete practices in Brazil France Greece New Zealand Mexico Poland and South Africa These countries all host migrants and have developed systems of migration law reflecting very different trajectories Some are traditional countries of immigration and settlement migration while others have traditionally been countries of emigration but now import many workers There are nonetheless common features in their immigration law which have a profound impact on labour law for instance in their shared contemporary shift to using temporary labour migration programmes Further chapters examine EU and international law on migration labour rights human rights and human trafficking and smuggling developing cross jurisdictional and multi level perspectives Written by leading scholars of labour law migration law and migration studies this book provides a diverse and multidisciplinary approach to this field of legal interaction of interest to academics policymakers legal practitioners trade unions and migrants groups alike
