Undercover Cop Mike Russell, Patrick W. Picciarelli, 2013-08-06 Nobody did undercover better than Mike Russell His story is grittier than The Sopranos more volatile than Goodfellas A must read George Anastasia New York Times bestselling author Nearly taken out of the game by a shooting New Jersey state trooper Mike Russell eventually found himself in the right place at the right time to save Andy Gerardo one of the ranking captains of the Genovese crime family from an attack Quickly earning the trust of his new friend Russell would orchestrate one of the biggest Mafia takedowns of all time Urged by his police handlers Russell used his cover story an ex cop fired for excessive force who now made his living from an oil delivery business and street skills to assimilate into the Genovese crime family in New Jersey ultimately leading to more than fifty arrests of mobsters corrupt prison officials and even a state senator Straddling the thin line between collecting evidence and participating in the very crimes he was leaking to the cops Russell consistently placed himself at risk especially when his police handlers disregarded his wishes and his well being conducting premature raids on the gangsters With his marriage suffering and his family in danger Russell took extraordinary steps to ensure his financial security and safety demanding better terms from the police and allowing a film crew to document the final moments of the epic bust for a documentary that was later sold to HBO A real life version of The Sopranos Undercover Cop immerses readers in the colorful yet harrowing trials of a standout cop who faced the mob on his own terms crippled organized crime in New Jersey and forever redefined undercover law enforcement

Undercover Cop Mike Russell, Patrick Picciarelli, 2013-08-06 One moment New Jersey state trooper Mike Russell was working undercover playing the role of an up and coming mobster hoping to infiltrate a Mafia family crew The next he was lying facedown in an alley after being ambushed and shot in the back of the head by a mobster over a dispute Russell miraculously healed and rather than press charges he maintained his cover Soon he had a stroke of good luck when he saved a man from an attack by two street thugs The man he saved turned out to be Andy Gerardo one of the ranking captains of the Genovese crime family Quickly earning the trust of his new friend Russell would orchestrate one of the biggest Mafia takedowns of all time Urged by his police handlers Russell used his cover story an ex cop fired for excessive force who now made his living from an oil delivery business and street skills to assimilate into the Genovese crime family in New Jersey ultimately leading to more than fifty arrests of mobsters corrupt prison officials and even a state senator Straddling the thin line between collecting evidence and participating in the very crimes he was leaking to the cops Russell consistently placed himself at risk especially when his police handlers disregarded his wishes and his well being conducting premature raids on the gangsters With his marriage suffering and his family in danger Russell took extraordinary steps to ensure his financial security and safety demanding better terms from the police and allowing a film crew to document the final moments of the epic bust for a documentary that was later sold to HBO A real life version of The Sopranos Undercover Cop immerses readers in the colorful yet harrowing trials of a standout cop who faced the mob on his own terms crippled

organized crime in New Jersey and forever redefined undercover law enforcement **Garden State Gangland** Scott M. Deitche, 2017-12-08 The Mafia in the United States might be a shadow of its former self but in the New York New Jersey metro area there are still wiseguys and wannabes working scams extorting businesses running gambling selling drugs and branching out into white collar crimes And they are continuing a tradition that s over 100 years old Some of the most powerful mobsters on a national level were from New Jersey and they spread their tentacles down to Florida across the Atlantic and out to California And many of the stories have never been told Deitche weaves his narrative through significant as well as some lesser known mob figures who were vital components in the underworld machine New Jersey s organized crime history has been one of the most colorful in the country serving as the home of some of the most powerful as well as below the radar mobsters in the Country And though overshadowed by the emphasis on New York City the mob and New Jersey have over the years become synonymous in both pop culture and in law enforcement But for all the press that has been dedicated to the mob and New Jersey for all the law enforcement activity against the mob and for all the pop culture references there has never truly been an examination of the rise of the mob in New Jersey from a historical perspective Until now In *Garden State Gangland* Scott M Deitche sets the historical record straight by providing the first overall history of the mob in New Jersey from the early turn of the century Black Hand gangs to the present and looks at how influential they were was not only to goings on the Garden State but across the New York metro region and the country as a whole *Ultimate Book of Gangster Movies* George Anastasia, Glen Macnow, 2011-09-27 The gangster movie is one of the most popular genres in film From the Italian Irish and Russian families in America to similarly sinister groups in Europe Japan and beyond the cinema has never shied away from portraying the evil exploits of these brutal outfits In this highly entertaining and informative book two accomplished and apropos authors put the genre in perspective like no other author or documentarian has done before The *Ultimate Book of Gangster Movies* provides extensive reviews of the Top 100 gangster films of all time including sidebars like Reality Check Hit and Miss I Know That Guy Body Count and other fun and informative features Also included are over a dozen stand alone chapters such as Sleeper Hits Fugazi Flops Guilty Pleasures Lost Treasures Q A Interviews with top actors and directors including Chazz Palinteri Michael Madsen Joe Mantegna and more plus over 50 compelling photographs Foreword by Joe Pistone the FBI agent and mob infiltrator who wrote the bestselling book and acclaimed movie *Donnie Brasco* *Bullets Over Hollywood* John McCarty, 2004-06-15 McCarty provides a history of gangsters in American film and a look at why welove them **TV Guide** , 2007 *Giovanni's Ring* Giovanni Rocco, Douglas Schofield, 2021-06-01 The story of a former FBI undercover task force officer who spent years penetrating New Jersey s DeCavalcante crime family the criminal organization known to law enforcement as the real Sopranos Giovanni s Ring is the story of Giovanni Rocco a New Jersey police officer known undercover as Giovanni Gatto who was the mysterious agent at the epicenter of Operation Charlie Horse a federal undercover operation that ultimately brought down ten members and

associates of New Jersey's DeCavalcante Mafia family the criminal organization known as the real Sopranos Giovanni spent nearly three years working his way into the DeCavalcante hierarchy That lethal assignment brought the undercover operation to an end in March 2015 and the resulting string of high profile arrests eviscerated the criminal organization Giovanni's Ring is not simply a chronicle of Giovanni Rocco's adventures in the murky and dangerous Mafia world he inhabited but also a fascinating window into the psychological struggles that such a life inevitably entails **Drum**,2007

Giovanni's Ring GIOVANNI. ROCCO,2022-09-06 Giovanni's Ring is the story of Giovanni Rocco a New Jersey police officer known undercover as Giovanni Gatto who was the mysterious agent at the epicenter of Operation Charlie Horse a federal undercover operation that ultimately brought down ten members and associates of New Jersey's DeCavalcante Mafia family the criminal organization known as the real Sopranos Giovanni spent nearly three years working his way into the DeCavalcante hierarchy That lethal assignment brought the undercover operation to an end in March 2015 and the resulting string of high profile arrests eviscerated the criminal organization **New York**,2003 **F & L Primo**,2002 *Pop Line* Patrick Picciarelli,2018-03-27 When New York City detective Ray Yale crosses the Pop Line into Western Pennsylvania he learns small towns can hide deadly secrets Yale's journey starts as a mission of mercy and he travels to Hastings PA to inform Carla Greer her brother Charlie one of Yale's few friends has died Upon arriving Yale learns Carla is the prime suspect in her police officer husband's murder Yale feels he owes it to Charlie to prove Carla's innocence Along the way he gets involved with a child abduction case uncovers police corruption confronts a disgraced mob boss and is forced to deal with his own emotions regarding his deceased wife and his undeniable feelings for his new client But is the grieving widow as innocent as she seems Praise for the author's work Undercover Cop How I Brought Down the Real Life Sopranos Billed as a true crime version of The Sopranos the story of Russell's violent life as an undercover cop cum trusted associate of the Genovese crime clan in Newark N J has more plot twists than the acclaimed TV series In fact Russell predates Tony Soprano and company by a longshot he was the subject of an HBO documentary that aired in the late 80s and his is a thrill a minute tale Within the first 20 pages Russell's taken a bullet to the head fended off a would be corpse robber and stumbled out of an alley to find help Soon after he returns to the tough work of weaseling his way back into the arms of the Mafia Written in a street savvy style reminiscent of Elmore Leonard and Mario Puzo the nail biting narrative moves from one crisis to another as Mikey Ga Ga his nom de guerre infiltrates a profitable crew while rubbing shoulders with capos and bosses all under intense mob scrutiny Russell's bravery and professionalism along with some crucial surveillance eventually led to the busts of more than 50 wiseguys and public officials This tell all page turner is all the better for being true Publishers Weekly Street Warrior The True Story of the NYPD's Most Decorated Detective and the Era that Created Him This book reads like a fast paced novel that readers will find hard to put down The narrative provides insight into what it was like to be a cop in the 70s Readers fascinated by police work will definitely want to read this book Library Journal Time,2008 Video Source Book,2008

of the few FBI agents dedicated solely to undercover work Using a series of carefully created aliases Jack insinuated himself in the criminal world from the Badlands of Philadelphia where he was a gregarious money launderer to the streets of Miami where an undercover Garcia moved stolen and illicit goods and brought down dirty cops Jack jumped at the opportunity to infiltrate the shadowy world of La Cosa Nostra but how would the Cuban American convince wiseguys that he was one of their own a Sicilian capable of earning his button getting made in the Mafia For the first time the FBI created a special mob school for Jack teaching him how to eat talk and think like a wiseguy And it wasn't long before the freshly minted Jack Falcone found himself under the wing of one of the Gambinos old school capos Greg DePalma DePalma who cared for an ailing John Gotti in prison introduced Falcone to his world of shakedowns beatings and envelopes of cash never suspecting that one of his trusted crew members was a federal agent A page turning account of the struggle between law enforcement and organized crime that will rank with such classic stories as Donnie Brasco Serpico and Wiseguy Making Jack Falcone is an unforgettable trip into America's underworld through the eyes of a highly decorated FBI veteran
