Understanding Central America Global Forces Rebellion And Change 5th Edition:

Understanding Central America John A. Booth, Christine J. Wade, Thomas W Walker, 2018-09-03 Understanding Central America explains how domestic global political and economic forces have shaped rebellion and regime change in Costa Rica Nicaragua El Salvador Guatemala and Honduras throughout their histories during the often turbulent 1970s and since The text provides students a comprehensive coverage of Central America political science and international relations The authors explain the origins and development of the region s political conflicts their resolution and ongoing political change This Sixth Edition provides the most up to date information on the recent political changes in each of the five countries presented

Post-Conflict Central American Literature Yvette Aparicio, 2013-11-26 Post Conflict Central American Literature Searching for Home and Longing to Belong studies often overlooked contemporary poetry Through the exploration of poetry and a select number of short stories this book contemplates the meanings of home belonging and the homeland in post conflict globalizing and neoliberal El Salvador Nicaragua and Costa Rica Aparicio analyzes literary representations of and meditations on the current conditions as well as the recent pasts of Central American homelands Additionally the book highlights aesthetic renditions of home at the same time that it engages with and is grounded in contemporary Central American cultures politics and societies In effect this book contests hegemonic and apparently commonsense views that assert that globalization produces global citizenship and globalized experiences Instead it argues that a palpable desire for home and belonging survives and thrives in rapidly globalizing Central American homelands A Companion to Ronald Reagan Andrew L. Johns, 2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan **Understanding Central America** John A. Booth, Christine J. Wade, Thomas W. Walker, 2010 Authoritative comprehensive coverage of Central America s political evolution including revolution rebellion and regime change as well as democratic consolidation

Ottawa and Empire Tyler Shipley, 2018-04-04 In June 2009 the democratically elected president of Honduras was kidnapped and whisked out of the country while the military and business elite consolidated a coup d etat To the surprise of many Canada implicitly supported the coup and assisted the coup leaders in consolidating their control over the country Since the coup Canada has increased its presence in Honduras even while the country has been plunged into a human rights catastrophe highlighted by the assassination of prominent Indigenous activist Berta C ceres in 2016 Drawing from the Honduran experience Ottawa and Empire makes it clear that Canada has emerged as an imperial power in the 21st century
