

August's Bingo Card – Writer's Notebook Challenges

Instructions: After responding to any of the ideas on this page with a decorated ½-page or full-page addition to your writer's notebook, color in the completed box with a yellow highlighter. When you create any "five-in-a-row" Bingos, a "Four Corners," or a complete "Blackout" of the whole card, come and show your teacher to receive a special sticker for your work!

Create a 3-panel comic strip showing a student who wanted summer break to never end.	Make a list of seven flavors of ice cream you'd like to see invented this year.	Explain it well! A pet with the suddenly-new ability to speak wants to understand poetry.	Describe a bad piece of poetry from Yoda or Shakespeare's point-of-view. Use voice.	In an interesting way, share the story of how someone obtained an interesting nickname.
Attach a picture taken this past summer to a notebook page. Write about it with details!	Launch a list or a creative description that captures your idea of a "perfect picnic."	<i>Justify it!</i> Cite detailed reasons why summer vacation should be increased by one week.	<i>Personify a Concrete Noun!</i> Choose a breakfast cereal and turn it into a "person."	<i>What do wind chimes think about?</i> Answer this question creatively in your notebook.
Fake apology! Think of something bad you've done in the last week, and write an apology that sounds convincing.	Illustrate and label the parts of a machine you'd invent to prevent your parents from waking you up early.	August's Teacher-Guided Lesson <u>Presenting Me (using Great Vocabulary)</u>	<i>Worst or best?</i> Put one of these adjectives in front of the word <i>driver</i> and write about what comes to mind.	<i>Weird e-mail correspondence!</i> If a soda pop could e-mail its rival flavor/ biggest competition, what would it say?
<i>"I was not surprised!"</i> Write a short narrative where this is your first sentence. Illustrate it!	List 5-10 interesting things you could do today with a year's supply of jelly beans.	<i>Unusual Nightmares Prompt!</i> Describe and illustrate a bad dream a overly-popular student has.	Describe the underside of your new desk from a unique point of view—like your shoes.	Write 3 unusual, true facts you know about a topic. Write them as a riddle and share them.
Create a three-column (nouns, adjs., verbs) word bank on this topic: <i>Writer's Words</i>	Start a page where you can record favorite puns. Write 2 or 3 down. Record more on this page as the year progresses.	Make a list of advice for someone who is entering your last year's teacher's class.	Create a half- or full-page tribute to a pet—past or present. Use words and pictures!	<i>Living the Dream!</i> If money were not an issue, what would the dream binder look like?

Writers Notebook Bingo

Time for Meaning Randy Bomer, 1995 Time for Meaning brings a bold curriculum to the writing workshop a curriculum that honors literary thinking and the study of literature Randy Bomer speaks eloquently and honestly about his own experiences in the classroom his successive stages of revision his growth from a good to a better teacher He encourages inquiry into more reflective practice inviting you to examine your ways of thinking your relationship to the subject of English your standards for good teaching your place in the professional community and most significant your attitude toward time Time for Meaning is both thoughtful and practical It confronts the realities of today's classrooms overcrowded curriculums unfriendly colleagues choppy schedules and resistant learners Bomer suggests ways to transform these obstacles into opportunities to rethink the true purpose meaning and design of literacy education He offers guidelines

for helping students choose topics that are important to them so important that they ll have the energy to work through the writing process prompting initial responses to literature and moving toward polished pieces of writing using writing as a tool for thinking and inquiring an essential habit of mind for students to develop understanding what makes for poor student research writing and how to improve it planning curriculums that focus on story in fiction and memoir Since time is so often the crucial issue in teaching Bomer asks you to examine your attitudes toward time and the way you use it He writes What we do with time is what we do with our lives When we are unable to spend time on what we most value it is because we have not found a clarity of purpose We have lost our maps lost our rudder and we drift aimlessly as if time were not passing as if this teaching life were not ours to live Bomer is specific and persuasive without being prescriptive Time for Meaning is a snapshot of his current thinking a report on work that has already benefited many teachers It speaks as powerfully to experienced reading writing process teachers as it does to newcomers

Catalog of Copyright Entries. Third Series

Library of Congress. Copyright Office,1968 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December *If this is Social Studies, why Isn't it Boring?* Stephanie Steffey,Wendy J. Hood,1994 The provocative title of this book plays on a too familiar response from teachers and students alike But now many teachers have begun to seek an approach to social studies that takes account of the ways children learn and that builds on their own knowledge and strengths The authors in this book have found ways to do this Wendy Hood writes in the Introduction that they have not only rediscovered social studies education in general they have also found themselves exploring the many disciplines of the social sciences that combine to make social studies The issues of the disciplines are visible the content of the disciplines is visible and the questions central to each discipline are central in these classrooms While the studies described began in one discipline they branched out or melted into one or more of the others In this contributed collection twenty three teachers explain their successful strategies for teaching the social studies disciplines in a whole language context If This Is Social Studies covers contemporary subjects the Gulf War traditional topics students as historians well known projects Scottish Storyline social studies in the community and multicultural matters Teachers at elementary through middle and high school levels will find this book s holistic approach to social studies a refreshing departure and a source of new practical ideas Indeed the diversity of ideas and styles is as broad as the book s subject

Against Amnesia Nancy J. Peterson,2001-04-23 An important study in American literature
