Identity, Community, and Sexuality in Slash Fan Fiction Anne Kustritz, 2023-11-24 This book explores slash fan fiction communities during the pivotal years of the late 1990s and early 2000s as the practice transitioned from print to digital circulation. Delving into over ten years of online and in-person ethnography, the book offers an in-depth examination of slash fan fiction, original stories written by and circulated within female-centered communities about same-sex characters borrowed from previously published sources to document the history of a feminist queer media subculture whose infrastructure, creativity, and ways of life are often obscured in dominant histories of the internet's development and by the contemporary focus on industry-friendly but often misogynist digital fan subcultures. Arguing that online slash communities created an alternate public space that provided opportunities for unanticipated encounters with a wide range of complex sexual, relational, and political practices, the book contends that slash thereby added to readers' tools for experiencing and thinking about pleasure and ways of living by forming a pocket public that is a digital space public enough to be found and protected enough to shield participants from harassment and censorship. This insightful and comprehensive study will interest students and scholars working in the areas of media studies, literary studies, anthropology, new media, audience communities, convergence culture, fan studies, women's studies, and queer studies. Seeking the Divine Spark Gerard Charles Wilson, 2011-12 Paul Martin is not sure what he is, where he is going, and who he is going with until he meets Persephone Stickx, with whom he falls in love. Super-confident modern Persephone is determined to lead Paul to inner enlightenment through the divine feminine. Paul meets Persephone when friend, property dealer Brad, brings Persephone and her partner Hayden to Paul's house in the pristine hinterland, a haven for environmentalists and counterculture enthusiasts. Persephone and Hayden show a keen interest in an old religious picture Paul bought at the local market. They say the picture represents bondage for Paul. They want to help Paul break that bondage. Their enthusiasm to help intensifies when they learn Paul knows Fr. Robbie Pleasance, who is before the

courts for the sexual abuse of a minor Paul was in a relationship with the priest and he needs to act They enlist brilliant lawyer Aleta Broadbent To lead a reluctant Paul to inner enlightenment Persephone and Hayden expose him to a ritual that aims to expose the divine feminine But it does not go as Persephone plans The ritual fails Instead of Persephone leading Paul to the divine feminine she finds her growing affection for Paul leading her away from her salvific task Hayden sees the relationship sabotaging their enterprise and breaks it up Paul is despairing By this time a band of media people and lawyers pursuing clerical sexual abuse is circling Paul What can he do to escape Aleta s manipulation and the media s attention and have Persephone with him again The barriers seem invincible as he drawn farther into a vortex of a national media frenzy over the alleged abuse of a minor by the city s Catholic archbishop *Exploiting Fandom* Mel Stanfill,2019-02-15 As more and more fans rush online to share their thoughts on their favorite shows or video games they might feel like the process of providing feedback is empowering However as fan studies scholar Mel Stanfill argues these industry invitations for fan participation indicate not greater fan power but rather greater fan usefulness Stanfill s argument controversial to some in the field compares the domestication of fandom to the domestication of livestock contending that just as livestock are bred bigger and more docile as they are domesticated so too are fans as the entertainment industry seeks to cultivate a fan base that is both more useful and more controllable By bringing industry studies and fan studies into the conversation Stanfill looks closely at just who exactly the industry considers proper fans in terms of race gender age and sexuality and interrogates how digital media have influenced consumption ultimately finding that the invitation to participate is really an incitement to consume in circumscribed industry useful ways **Sonic the Hedgehog #125** Sonic Scribes, Sonic Adventure 2 5 Omega Special 10 year anniversary issue featuring an all star artist jam The celebration of Sonic s 10th Anniversary in comics might also be the beginning of the end for the blue blur his friends and their enemies as well The action picks up from the previous issue Shadow returned to help in the fight against the alien Xorda who want nothing more than the destruction of Mobius After reasoning and bargaining fail the denizens of the planet must band together for their very survival In the end a hero will fall and the future of Mobius will be changed forever **Intellectual Property and Information Wealth** Peter K. Yu,2006-12-30 Until recently issues of intellectual property were relegated to the experts attorneys legal scholars rightsholders and technology developers who wrangled over interpretations and enforcement of copyright patent and trademark protections But in today s knowledge based economy intellectual property protection has taken on fundamentally new proportions as a subject of urgency for businesses whose survival depends on protection of their intangible assets and as a subject of cultural importance that grabs front page headlines as the controversy over Napster and high profile revelations of plagiarism for example have illustrated This landmark set of essays brings new clarity to the issues as societies around the world grapple with the intricacies and complexities of intellectual property and its impact on business law policy and culture Featuring insights from leading scholars and practitioners *Intellectual Property and Information*
