Eryn Young, 2024-06-10 Amazing stories in the Bible inspire us like Daniel leaving a den of starving lions¹ unharmed after a few days or Joshua and the tribes crossing of the raging Jordan before any signs of parting² Yet somehow there seems to be a disconnect for how it is relevant in our life While you can spot breakthroughs in those situations you struggle for a way to find yours Can I share that The God who came to the rescue of Bible heroes in Hebrews 12 is still doing miraculous things in 2024 He has a track record of making Special Deliveries for willing servants who rely on him despite the odds or our missteps You will find I've encountered many interventions following Divine leadings All of these echo the Divine ironies of my story despite being unworthy and having no specific religious rituals I am a double minority raised by a determined single parent and a village in the inner city of Los Angeles in the 90s If offering this first hand witness and inspiration from impactful speakers can serve as a reminder that God cares and He also can rescue you from whatever mixed bag you carry in life Then the strained efforts and scars from God saving me in eight near death experiences were worth the delivery
