York State ever had and the man who modernized the Republican Party and allowed it to survive through the Depression years and the 1940 s Dewey grew up in a small town in Michigan his father owned and published the local newspaper and his rise to fame and fortune came remarkably fast A compulsive workaholic and neat freak Dewey graduated from the University of Michigan and Columbia University Law School in the 1920 s He briefly considered a career as a singer he had an award winning baritone voice and liked to sing Broadway tunes in his bathtub but decided that the law would be a more stable and suitable career He married an actress settled in New York City although he never really liked the Big Apple and in 1938 he bought a large farm 65 miles north of Manhattan and happily became a weekend farmer and country squire In 1933 Dewey only 31 became the assistant District Attorney for Manhattan and helped to send several gangsters to prison In 1937 he was elected District Attorney for New York City and he soon achieved national fame as the gangbuster the honest lawyer who sent dozens of famous mafia leaders to jail His most famous target was Lucky Luciano the mafia boss of all New York and who was even more powerful than Al Capone Dewey s conviction of Luciano for running a massive prostitution racket in the New York New Jersey area made him a national hero and propelled him into presidential politics at the incredible age of 38 Hollywood even made movies about him In 1940 he ran for the Republican presidential nomination and nearly won despite his youth and inexperience In 1942 he was elected governor of New York During his twelve years as governor he passed the first state civil rights laws in America lowered taxes AND cut a budget deficit in half and founded the State University of New York He also rooted out political crooks and ran a remarkably honest administration In 1944 he ran for President and came closer to defeating Franklin D Roosevelt than any of his four opponents Dewey s great moment was supposed to have been in 1948 when he was considered to be a sure bet to defeat President Harry S Truman and restore the Republicans to the White House All the polls showed Dewey winning easily and Dewey refused to even mention Truman s name even as Truman insulted and ridiculed him in speech after speech This was a costly mistake Truman won a narrow victory in one of the great political upsets of all time At the age of 46 Dewey was a has been Smith does a wonderful job of explaining why despite Dewey s honesty intelligence and obvious leadership skills he was never able to win the White House Partly this was due to Dewey s personality many people felt him to be cold and calculating a short man with a bad temper and an arrogant attitude towards others Smith fills this biography with plenty of delicious quotes Dewey s secretary He was as cold as a February icicle and he also offers a superb history of the Republican Party in its lean years between the 1920 s and the Eisenhower Fifties Several parts of this book are so well written such as the first chapter covering Election Night in 1948 or the section describing Dewey s beloved farm of Dapplemere in upstate New York and the community of Quaker Hill it was located in that you get the feeling you re actually there Although Dewey will probably always be remembered more for his epic 1948 election upset than for his substantial achievements Smith s biography will at least ensure that those who read this book will come away with a m
