Fantasy Futures Jessica Adams, 2004-02 Can ordinary non psychic people really predict the choices they will face in the future Yes and here is how to make it all happen the way you want Fantasy futures is based on a prediction system Jessica Adams created for her own use as a way of combining everything I knew about tarot astrology and time After relying on it for two years she's ready to share it with the world **The British National Bibliography** Arthur James Wells, 2006

Predict Yourself with Titania's Oracle Titania Hardie, 2000 Through a magical method of questions and answers this book will give you extraordinary insights into success love happiness and more *Titania's Oracle* Titania Hardie, 2007 In this book Britain's favourite white witch Titania Hardie reveals an ancient oracle based on the witch's 13 moons which has been used for generations by her family and friends to catch a glimpse of what is to come **Taromancy** Gerald Boak, 2012-03 The 84 oracles were first published in 1985 They were intended for the experienced hand at divination and have remained in widespread demand ever since I hope this fully revised edition which contains the same oracles but in less technical language will appeal to those only now setting out to explore fortune telling After a quarter of a century in use I believe their following justifies this major revision Apart from their plainer style a new Summary and in depth Conclusion now accompanies each oracle These replace the earlier and limited Notes and explain even the smallest areas of interest Together with extra and helpful background material in the first three chapters I believe these sizeable additions will provide a more complete and user friendly tool of divination Finally and on a purely technical note the astrological aspects behind the oracles agree with the work of Aleister Crowley in his dictionary of correspondences Liber 777 vel Prolegomena Symbolica ad Systemam etc published privately in 1909 and adopted since as a standard work of reference Two of those correspondences were amended in his 1944 edition of The Book of Thoth In that book Crowley made a fundamental error in his Key Scale of the tables incorrectly assigning Aries to Tarot trump XVII and Aquarius to trump IV whereas and by his own admission they should be counterchanged Fearing more hawk eyed diviners will question my choice of attributions I thought it safest to explain in advance Titania's Fortune Cards Titania Hardie, 2019-10-15 From understanding the cards and deciphering their meanings to finding out what direction your life will take let Titania guide you through the Lenormand technique of fortune telling Though faithful to the symbolism of the original cards this set offers a contemporary twist on ancient spiritual teachings to reflect our modern lives Thirty six striking cards combined with a book on layout and interpretation mean taking a glimpse at your past present and future has never been so easy Whether you've a history of magic or are new to the world of divination Titania's Fortune Cards pave the way for a fresh look at the spiritual world and
