Understanding Jihad David Cook,2005-05-23 Jihad is one of the most loaded and misunderstood terms in the news today
Contrary to popular understanding the term does not mean holy war Nor does it simply refer to the inner spiritual struggle
This book judiciously balanced accessibly written and highly relevant to today s events unravels the tangled historical
intellectual and political meanings of jihad Looking closely at a range of sources from sacred Islamic texts to modern
interpretations This book opens a critically important perspective on the role of Islam in the contemporary world The author
also describes some of the conflicts that occur in radical groups and shows how the more mainstream supporters of these
groups have come to understand and justify violence Back cover Together We Are One Thich Nhat Hanh,2006-05-09
Based on four retreats that Zen Master Thich Nhat Hanh led specifically for people of color this book is for people of all
colors backgrounds and experiences who have ever felt excluded or alienated or anyone concerned with issues of social
justice Although Together We Are One is based on teachings given to Buddhist practitioners of color readers of all
backgrounds and walks of life will find it an inspirational and practical guide In chapters focusing on honoring our ancestors
developing understanding and compassion and seeing the world in terms of interbeing Nhat Hanh shows how meditation and
the practice of looking deeply can help create a sense of wholeness and connectedness with others Chapters are interspersed
with mindfulness practice exercises and the personal stories of skilled writers such as Larry Ward author of Love s Garden Sr
Chan Khong author of Learning True Love and Rev Hilda Rymon Gutierrez Baldoquin editor of Dharma Color and Culture
about their discovery of a spiritual path their experience of finding balance overcoming obstacles in an unpredictable world
and maintaining and sharing insights Together We Are One is a valuable addition to the unique expression of Buddhism in
the West As in all his writings Thich Nhat Hanh does not suggest we replace traditional beliefs and customs with Buddhism
but rather emphasizes that a mindful approach to daily life and interactions can help overcome misperception and separation
so that we might honor and transcend our differences Nhat Hanh s primary focus highlights the basic how to s of Buddhist
practice such as mindful walking and eating the practice of Looking Deeply and a never before published multicultural
version of the Touching the Earth Ceremony making them accessible possibilities for a better everyday life A companion
movie to the book featuring Thich Nhat Hanh s retreat can be found at www.colorsofcompassionmovie.com **Samson**
