

TREDEGAR IRON WORKS

RICHMOND'S FOUNDRY ON THE JAMES

NATHAN VERNON MADISON

Tredegar Works Nathan Vernon Madison

L Manion

Tredegar Works Nathan Vernon Madison:

Richmond Locomotive & Machine Works, The Nathan Madison,2023-04 Experience the thriving industry and commerce of Richmond during the Gilded Age The Richmond Locomotive Works was born out of the ashes of the evacuation fires at the end of the Civil War The company grew despite numerous financial and personnel difficulties to become one of the city s single largest employers an industrial behemoth that provided livelihoods to thousands upon thousands of men over the course of its existence Over a span of sixty years the facility produced a myriad of industrial products including thousands of steam locomotives that traversed rails throughout the United States and across the world Historian Nathan Vernon Madison provides for the first time since its closure in 1927 a thorough and complete history of this Richmond institution

Armies South, Armies North Alan Axelrod,2017-05-01 An argument settler and starter for Civil War buffs who want to know which side had the better soldiers *Armies South Armies North* definitively compares the military forces of both sides Civil War buffs are always arguing over which side had the better soldiers *Armies South Armies North* by Alan Axelrod helps readers reconsider their understanding of America s most harrowing war Axelrod is the author of more than one hundred books with a passion for military history and leadership Each chapter of his new book compares the military forces with both quantitative and qualitative measures Axelrod analyzes the equipment the leadership and strategies and the men who fought in each army with additional focus on lesser known flash points during the war

Colossal Ambitions Adrian Brett,2020-07-16 Leading politicians diplomats clerics planters farmers manufacturers and merchants preached a transformative world historical role for the Confederacy persuading many of their compatriots to fight not merely to retain what they had but to gain their future empire Impervious to reality their vision of future world leadership territorial economic political and cultural provided a vitally important underappreciated motivation to form an independent Confederate republic In *Colossal Ambitions* Adrian Brett explores how leading Confederate thinkers envisioned their postwar nation its relationship with the United States its place in the Americas and its role in the global order Brett draws on rich caches of published and unpublished letters and diaries Confederate national and state government documents newspapers published in North America and England conference proceedings pamphlets contemporary and scholarly articles and more to engage the perspectives of not only modern historians but some of the most salient theorists of the Western World in the eighteenth and nineteenth centuries An impressive and complex undertaking *Colossal Ambitions* concludes that while some Confederate commentators saw wartime industrialization as pointing toward a different economic future most Confederates saw their society as revolving once more around coercive labor staple crop production and exports in the war s wake

Tredegar Iron Works: Richmond's Foundry on the James Nathan Vernon Madison,2015-11-30 One of the most important industrial landmarks in the nation lies in the heart of historic Richmond The Tredegar Iron Works was the most prodigious ordnance supplier to the Confederacy during the Civil War as well as an industrial behemoth in its own right Named for the hometown

of the Welsh engineers who built it Tredegar remained one of Richmond's chief industrial entities for over a century. It produced ordnance during five wars and helped build the railroads that rapidly spread across the nation during the Gilded Age. Author Nathan Vernon Madison, utilizing a wealth of primary sources and firsthand accounts, chronicles the full history of a Richmond industrial icon.

Wales, the Welsh and the Making of America Vivienne Sanders, 2021-07-15. The work is written in an accessible fashion. It uses biographies to give readers an interesting and useful overview of the history and development of the United States. It could give Welsh readers a sense of pride in the achievements of Welsh people and their descendants. It clarifies for American readers the motivation and achievements of those of their ancestors who came from Wales and demonstrates how valuable immigrants can be.

Hundreds of Little Wars G. David Schieffler, Matthew M. Stith, 2025-02-05. From Texas to Virginia, towns, regions, counties, regiments, prisons, and even refugee camps played a significant role in shaping the contours of the Civil War. According to historian Daniel E. Sutherland, whose many books and essays helped establish the field of community studies, these varied assemblages of individuals experienced and fought the real war. Following his lead, the contributors to *Hundreds of Little Wars* reveal how viewing the war from the vantage point of singular communities allows us to better understand the larger conflict. The volume includes contributions from a wide array of Civil War scholars. Lesley J. Gordon and Eric P. Totten examine military outfits, namely the 126th New York Regiment and the 4th New Hampshire Volunteer Infantry. Madeleine C. Forrest provides an analysis of Fauquier County, Virginia, in 1862, and Matthew M. Stith evaluates a Confederate prisoner of war camp in East Texas. Christopher Phillips and Scott A. Tarnowiecki investigate the middle border region spanning the Ohio, Mississippi, and Missouri rivers. Lorien Foote and G. David Schieffler assess the demographically diverse Sea Islands of South Carolina and Georgia, as well as Helena, Arkansas. Barton A. Myers and Terry L. Beckenbaugh employ Sutherland's framing while considering irregular war, first with an examination of partisan officers and then with a survey of the White River Valley in Arkansas. Finally, Niels Eichhorn and Michael Shane Powers assume a transnational viewpoint, comparing Richmond with Vienna, Austria, and analyzing a community of Confederate veterans in Central America. The essays in *Hundreds of Little Wars* show that no one single conflict defined the Civil War. Instead, hundreds of wars existed, variously categorized by geography, race, gender, environment, and myriad other factors. Only by concentrating on these communities can we grasp the scope and complexity of the Civil War.

Tredegar Iron Works Nathan Vernon Madison, 2015-11-30. One of the most important industrial landmarks in the nation lies in the heart of historic Richmond. The Tredegar Iron Works was the most prodigious ordnance supplier to the Confederacy during the Civil War, as well as an industrial behemoth in its own right. Named for the hometown of the Welsh engineers who built it, Tredegar remained one of Richmond's chief industrial entities for over a century. It produced ordnance during five wars and helped build the railroads that rapidly spread across the nation during the Gilded Age. Author Nathan Vernon Madison, utilizing a wealth of primary sources and firsthand accounts, chronicles the full history of a Richmond

industrial icon Anti-Foreign Imagery in American Pulps and Comic Books, 1920-1960 Nathan Vernon Madison, 2013-02-18
In this thorough history the author demonstrates via the popular literature primarily pulp magazines and comic books of the 1920s to about 1960 that the stories therein drew their definitions of heroism and villainy from an overarching nativist fear of outsiders that had existed before World War I but intensified afterwards. These depictions were transferred to America's new enemies both following U.S. entry into the Second World War and during the early stages of the Cold War. Anti-foreign narratives showed a growing emphasis on ideological as opposed to racial or ethnic differences and early signs of the coming multiculturalism indicating that pure racism was not the sole reason for nativist rhetoric in popular literature. The process of change in America's nativist sentiments so virulent after the First World War are revealed by the popular inexpensive escapism of the time pulp magazines and comic books Students of the University of Virginia University of Virginia, 1878
 Who's who in Finance, Banking, and Insurance ,1929 **Poor's Register of Directors and Executives, United States and Canada** ,1960 *Live Stock Journal* ,1895 Proceedings of the IRE. Institute of Radio Engineers, 1957
