Tuskers II Day Of The Long Pig:

Tuskers II: Day of the Long Pig Duncan McGeary, 2017-12-10 Barry and Jenny inherited a fortune with a single stipulation that they hunt down and eradicate the Tuskers. They can only hope the Tuskers are gone. They aren't sure they can follow through on the genocide of an entire new species. Genghis, the smartest and most ruthless of the Tuskers, survives. Deep in the desert, he breeds with the wild pig population. These mutants are able to learn from humans and quickly surpass them.

Tuskers III: The Omnivore Wars Duncan McGeary, 2017-12-10 The wild pig invasion of Saguaro was a three-day wonder. But Cathy Comfort, host of the cable crime program *Cathy Comfort's Justice*, senses there was something more to the story than rabid pigs. With her young producer Seth, she heads to Arizona to investigate, little realizing she's landing right in the middle of the Aporkcalypse. The Tuskers are alive and breeding and smarter than ever. With the young scientific genius Tesla and the military leader Napoleon, they are ready to take on humanity. Only one species will survive. **The Omnivore Wars**

Tuskers IV: Rise of the Cloven Duncan McGeary, 2017-12-10 Civilization has collapsed from the onslaught of the Tusker attacks. The zombie virus on top of the destruction of the fragile human infrastructure has devastated the population. Three surviving groups emerge out of the chaos. In the north, a zombie horde led by the Tusker Napoleon has vowed to return and kill the last uninfected humans. In the south, a heavily armed and organized band of humans has vowed to wipe out the Tuskers. And in the middle, in the small desert town of Carver, unaware of the impending struggle, a small band of Tuskers and humans are working together to survive the Aporkcalypse. They are working feverishly to discover a cure to the zombie virus. Inevitably, they are found, and the two armies converge. Together, the people and Tuskers of Carver must find a way to survive. But even more, they must find a way to end the conflict before both species are destroyed.

Blood of the Succubus Duncan McGeary, 2018-06-15 Ancient Goddesses, modern Nightmares. When Doug goes hiking with Suzanne in the Cascades, he thinks he's lucked out. She's his dream girl. But that night, in the tent, she turns into something else, something out of his nightmares. The Succubus Eisheth has many names and shapes, but she's perfected the Manic Pixie Dream Girl: every young man's sexual fantasy. She has left a long trail of bodies behind her. Serena is one of the few mortals who sees through her beguiling persona, tracking the demoness determined to stop her. She is joined by Doug's friends and finds that in Cary, she is still capable of love. Rick helps guide them, the last of the Guardians, an ancient order who once guarded the Succubus but fell prey to their enchantment. The Succubus calls on her sisters, the Daughters of Lilith, for help. Once they were Goddesses, but into their peaceful valley came men who saw only their beauty and the power of their blood. Imprisoned for millennia, drained of their life-giving blood, the Succubus has vowed vengeance upon men preying on their sexual desires. When these forces converge, love and sex converge in an explosion of violence as the Succubus and humans confront their true natures. **Blood of the Succubus** combines mythology with modern pop culture, modern dating, and ancient fertility rites, a murder mystery, and the supernatural. **URBAN DICTIONARY** Manic Pixie Dream Girl or MPDG: A pretty, outgoing, whacky female whose sole

purpose is to help broody male characters lighten up and enjoy their lives **I Live Among You** Duncan

Last Fedora Duncan McGeary, 2018-03-12 The Golem was a legend unstoppable relentless undying He was always there silent menacing and except in times of danger unnoticed No one dared challenge the Pampas family only betrayal from within could bring them down Two brothers fight for the loyalty of Jacob Mann but over the centuries unnoticed by his masters the Golem has been changing So it is someone completely unexpected who becomes the true inheritor of The Golem It is the honesty of Greg Pampas who gains the Golem's loyalty the bravery of a young woman who earns his trust and the love of a young boy who turns the Golem's stony heart to flesh and blood

Arts of Vanuatu Joël Bonnemaïson, 1996-01-01 This prodigiously diverse and living culture has for its spiritual source a single traditional vision central to which is the fact that the world belongs not to the living but to the ancestors In Vanuatu art we have the construction of canoes and of standing slit drums the inventiveness apparent in the masks and mats the aesthetics of dress the raising of tusker pigs the sharing out of sea turtle meat the symbol of the hawk representing the outward sign of the possession of the world through the eyes of the departed This art sacred in inspiration takes root in the magic of each place and shore Arts of Vanuatu is the first major contemporary anthropology work covering such a range of topics It is also the first work covering the traditional art of the former South Pacific island colony of the New Hebrides

Dealing with Pigs! Dr Ivan Molloy, 2019-06-29 This novel was self published through Xlibris in 2019 and since then has been extensively marketed through several avenues and platforms headlined by book exhibitions and major book fairs around the world such as The Book Expo America New York Beijing and Guadalajara Book Fairs and London next year due to 2020 cancellation because of the virus It has also been featured in Press Releases and my website <http://www.ivanmolloy.org> Moreover it has been favourably reviewed by The Clarion Review and The Kirkus Review However I am approaching you now as I am seeking a more traditional publisher Simply put this novel is a somewhat comical satire of the politics and history of our world and is suitable for all ages The main character Hunkle Trotter a pig lives in Mudwallow in a far off pig world War soon rages between the pigs of Mudwallow and Hamcorner as the elite among the Wallowites known as snouters seek to expand their power and fortunes through military means As the snouters mercenary soldiers the boars and the Holy Pomponer the head of the Wallowites faith hoard food and wealth during this time it is the weary working class trotters who go without While the fight bogs down due to self serving double crosses and incompetent leaders Hunkle finds himself in the role of an unlikely revolutionary Meanwhile Hunkle's Cousin Crumpet has produced a series of writings on pigolitics and pigolosophy that demand equality and a rejection of snouter rule Along with the vengeful rebel Snooper and Hunkle's son Whiskers Crumpet establishes the snotters a group that rejects the strict class structure and the worship of the Pomponer's Great One a deity that supposedly blesses pigkind from the Black Mountain volcano Unrest grows and the snotters are able to gain advantages over the ruling upper classes through utilizing the prized badapple a tree with explosive properties and technological possibilities as well by taking advantage of the lies of the religious caste by proving that the Great One is no god Somewhat a cross between the Game of Thrones and Animal Farm

Dealing With Pigs is filled with scheming bad pigs and harrowing battles Ultimately the revolution is successful only to fall prey itself to dictatorship new revolts and quests to find a better way In what is Book One there are parallels with our human contemporary global politics and history except for major twists and turns leading to Book Two currently being written
