Board of Regents,1851 **The Twelve Stars of Our Republic** Edwin Williams,2017-09-18 Excerpt from *The Twelve Stars of Our Republic Our Nation s Gift Book to Her Young Citizens* These evils far seeing statesmen of America clearly perceived and warned the people to awake to the same perceptions The warning was heeded They winced under the lash of commercialrestrictions and they rebelled as far as loyalty to their sovereign would permit when the stamp act cast off the disguise of ministers and revealed the despotism that stood ready with its fetters to bind the free Britons of America

Henceforward contentions arose The British parliament assumed the right to tax the colonies of Great Britain without their consent The colonies raised the standard inscribed taxation and representation one and inseparable Ten long years they humbly petitioned and remonstrated They loved the parent country revered her institutions and laws and were proud of their connexion with such an empire But their loyal prayers were answered by other and greater Oppressions Insults succeeded Oppressions threats succeeded insults and armies came hither to execute those threats The colonies confederated and by representatives consulted and acted for the general good They still clung to the hope of reconciliation but at length that radiant star waned in the firmament Clouds gathered in the political heavens and the alternative was presented of Iesistance and freedom or submission and slavery The choice was soon made and the weapons were speedily prepared to sever the last tie that bound America to Britain the ligament of political imion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
