The Party Crasher Sophie Kinsella, 2022-07-12 NATIONAL BESTSELLER From the 1 New York Times bestselling author of *Love Your Life* comes a humorous and heartwarming novel about family and finding a second chance at love set against the backdrop of the most fabulous party you've ever snuck into. Sophie Kinsella keeps her finger on the cultural pulse while leaving me giddy with laughter. Jojo Moyes author of *The Giver of Stars* and *The Last Letter from Your Lover* It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy loving childhood she thought she had. Since then she's become estranged from her father and embarked on a feud with his hot and much younger girlfriend Krista. And now more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand house cooling party, Effie is originally left off the guest list and then receives a last-minute anti-invitation, maybe it's because she called Krista a gold digger, but Krista totally deserved it and it was mostly a joke anyway. Effie declines but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe, the love of her life who long ago broke her heart and who's still as handsome and funny as ever, and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future. *My Not So Perfect Life* Sophie Kinsella, 2017

When Katie Brenner is fired from her dream job in advertising in London, she's desperate to get away from her mad boss Demeter and her crush Alex, who she thought shared her feelings of adoration but didn't. Applying her savvy marketing smarts, Katie masterminds a glamorous upscale resort. But when Demeter shows up unannounced with Alex not far behind, Katie is forced to rethink her revenge fantasies and her assumptions about family, love, and office politics, and realize how much she may have misjudged everyone and everything around her. **More Novels and Plays** Albert B.
