Twice a Princess Susan Meier,2010-04-07 Dearest Godmother I only have one more match to make to break this curse if only I wasn't utterly distracted by my devastatingly handsome boss resort owner Alexander Rochelle I know I should stay away from him I am betrothed to a prince in my country after all but Alexander's kindness his humor and his sexy kisses are keeping me up at night in spite of my better judgment And now Fate has decreed Alexander as the next match to find true love in spite of his apparent disbelief in tender emotions If I can convince him forever is a promise worth making is it too much to hope that the woman he vows to cherish will be me Your lovelorn goddaughter Princess Meredith Folktales

Retold Amie A. Doughty,2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with *A Little Night Matchmaking* Debrah Morris,2014-06-15 H A R P Field Report From Celestial Earthbound Operative Re Operation True Love Mission Unite hopelessly star crossed soul mates Complications Subject Trick Templeton is one ornery West Texan who lets no woman get too close For subject Brandy Mitchum protecting her baby girl and paying the bills trumps romance Plan of Action By night Brandy will dream of Trick until her heart realizes he is her beloved Midnight Man By day boss Trick and employee Brandy will be helpless to avoid each other divine handiwork I dare say Results Daily contact has created a crisis situation Intent had been a little night matchmaking but the powerful result is beyond anything even heaven can control

The Fairy-Tale Vanguard Stijn Praet, 2019-07-08 Ever since its early modern inception as a literary genre unto its own the fairy tale has frequently provided authors with a textual space in which to reflect on the nature status and function of their own writing and that of literature in general At the same time it has served as an ideal laboratory for exploring and experimenting with the boundaries of literary convention and propriety While scholarship pertaining to these phenomena has focused primarily on the fairy tale adaptations and deconstructions of postmodernist writers this essay collection adopts a more diachronic approach It offers fairy tale scholars and students a series of theoretical and literary historical expositions as well as case studies on English French German Swedish Danish and Romanian texts from the seventeenth to the twenty first century by authors as diverse as Marie Catherine d'Aulnoy Rikki Ducornet Hans Christian Andersen and Robert Coover

produced fiction and nonfiction fantasy and horror television comics and prose He often attributes this eclecticism to his compost heap approach to writing gathering inspiration from life religion literature and mythology Readers love to sink into Gaiman's medieval worlds but what makes them medieval Shiloh Carroll offers an introduction to the idea of medievalism how the literature and culture of the Middle Ages have been reinterpreted and repurposed over the centuries and how the layers of interpretation have impacted Gaiman's own use of medieval material She examines influences from Norse mythology and Beowulf to medieval romances and fairy tales in order to expand readers understanding and appreciation of Gaiman's work as well as the rest of the medievalist films TV shows and books that are so popular today [All the Year Round](#), 1885 [Horrifying Sex](#) Ruth Bienstock Anolik, 2007-07-16 The Gothic moment in literary history arose in the age of the Enlightenment and the Gothic fascination with the unknown reflects the Enlightenment's response to the limits of reason Traditionally the emblem of the unknown that lurks in the Gothic is the supernatural the monstrous and the inhuman Often overlooked is the observation that Gothic texts are also haunted by figures that represent the mystery of sexuality This collection of essays sharpens that observation and asserts that Gothic anxieties about sexuality are likewise rooted in fear of the unknown represented by sexual practices and desires that either lie hidden or deviate from cultural norms The first three sections refer to popular as well as marginalized Gothic texts to portray the three prototypes of sexual deviance the female sexual Other in *The Fatal Woman* the male sexual Other in *The Satanic Male* and the homosexual Other in *Homosexual Horror* The fourth section covers literary works that celebrate sexual difference and question the idea that the sexually deviant is socially Other **George MacDonald's Children's Fantasies and the Divine Imagination** Colin Manlove, 2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald's eight shorter fairy tales and his longer stories *At the Back of the North Wind* *The Princess and the Goblin* *The Wise Woman* and *The Princess and Curdie* MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children's fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed [The NPR Listener's Encyclopedia of Classical Music](#) Theodore Libbey, 2006-01-01 A resource on classical music provides coverage of composers works musical terminology and performers along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works techniques and performers discussed in the reference
