Canada and Colonialism Jim Reynolds,2024-05-15 Colonialism endures in Canada today Dismantling it requires an understanding of how colonialism operated across the British Empire and why Canada s colonial experience was unique Whereas colonies such as India were ruled through despotism and violence Canada s white settler population governed itself while oppressing the Indigenous peoples whose lands they were on Canada and Colonialism shows that Canadians support for colonial rule both at home and abroad is the reason colonialism remains entrenched in Canadian law and society today Author Jim Reynolds presents a truly compelling account of Canada s colonial coming of age and its impacts on Indigenous peoples including the settler led internal colonialism behind the Indian Act and those who enforced it As one of the nation s leading experts in Aboriginal law Reynolds provides a vital accounting of the historical underpinnings and contemporary challenges the nation must address to reconcile with Indigenous peoples and move toward decolonization *Hitler's Airwaves* H. J. P. Bergmeier,Rainer E. Lotz,1997-01-01 Jazz was banned from German broadcasting as soon as the Nazis came to power in 1933 Yet throughout World War II American jazz and swing were core components of the Third Reich s propaganda Jazz classics such as W C Handy s famous St Louis Blues their lyrics neatly tampered with came over the airwaves alongside the famous Germany Calling programmes directed at Britain and allied forces around the world

Hitler's Englishman Francis Selwyn,2025-03-03 Lord Haw Haw William Joyce was Hitler s secret weapon of the airwaves Nightly through the Second World War Joyce s nasal tones were transmitted to a delighted if sceptical audience He had a large and enthusiastic following who looked upon his catchphrase Jairmany calling as the promise of comic relief as sure as that provided by Tommy Handley and the much loved radio programme It s That Man Again ITMA Joyce of course was not a figure of fun nor was he regarded as one by the British government which twisted and adjusted the law to bring him to a traitor s death in 1946 Originally published in 1987 in this new approach to the case of William Joyce Francis Selwyn looks both at the career of Joyce the Irish American cum Fascist bully boy and the changing nature of treason altered by the events of the Second World War Was Joyce a traitor Or was he sent to the scaffold as a necessary sacrifice Behind the voice of the decadent aristocrat lurked the real William Joyce a street corner fanatic of the Fascist movement Who was he Hitler s Englishman follows the path to Nazi treason and the final reckoning on the gallows of Wandsworth Prison Treason as Francis Selwyn shows is a crime which has been adapted to circumstances After the Second Word War it was reshaped to embrace new traitors who had committed different kinds of treason For Joyce his loyalty to the ideals of Nazism transcended territory and nationality he had no regrets about what he had done His story and the story of treason in the days of victory over Fascism still have a powerful message for us today **Renegades** Adrian Weale,2014-11-12 At the end of the Second World War nearly 200 British citizens were under investigation for assisting Nazi Germany Some have remained notorious such as

William Joyce Lord Haw Haw and John Amery who went to the gallows for High Treason but as this meticulously researched study shows men like Joyce and Amery are only the visible part of a much larger and more intriguing story below the surface *Renegades* is drawn entirely from original documentary material eyewitness accounts and intelligence files Adrian Weale traces the course of treason in the Second World War from its roots in Oswald Mosley's British Union of Fascists through the war and subsequent investigations by MI5 up to the trial imprisonment and in some cases execution of the traitors Since *Renegades* was first published in 1994 many files previously restricted by privileged access have been released into the Public Records Office and a number of other files including several from MI5 have become available Adrian Weale has revised his book incorporating this new material making *Renegades* a more comprehensive and authoritative study Much here will be new to historians including the first complete account of the British Free Corps the Waffen SS unit composed entirely of British subjects and the identity of all its members some of whom have been interviewed for this book Also revealed is the extraordinary career of the conman who joined the Special Air Service and who after capture by the Germans informed on his POW camp comrades before volunteering to fight with the Waffen SS on the Russian front and in France the story of the middle aged British spinster who joined the Gestapo Though regarded as highly dangerous at the time German efforts to cultivate traitors in British ranks were for the most part stunningly unsuccessful not least as this book reveals because much of that effort was entrusted to a British Fascist turned double agent at work in the heart of the Third Reich

Fascism in Britain Richard C. Thurlow, 1998-12-31 This edition investigates fascist activities in the period of turmoil leading to World War II and raises disturbing questions how far was the British establishment involved What were the links with Nazi Germany What were the plans for the future of British Jews How much did the British secret service know Despite the revelation of the horrors of Nazi Germany British Fascism survived 1945 The author discusses the organization aims and techniques behind British Fascism including the formation of the National Front This revised text analyzes the period from 1984 to the present day including the effect of the end of the Cold War and the collapse of Communism in Russia and Europe the disturbing growth of illiberal nationalism and the growth of neo fascism anti-Semitism and racialism **Lord Haw-Haw**

& William Joyce John Alfred Cole, 1965 Story of William Joyce the man who broadcast to England for the Nazis during the war and whose American citizenship was one of the chief legal problems at his trial for treason *The Myth of German Villainy* Benton L. Bradberry, 2012-07-03 As the title *The Myth of German Villainy* indicates this book is about the mischaracterization of Germany as history's ultimate villain The official story of Western Civilization in the twentieth century casts Germany as the disturber of the peace in Europe and the cause of both World War I and World War II though the facts don't bear that out During both wars fantastic atrocity stories were invented by Allied propaganda to create hatred of the German people for the purpose of bringing public opinion around to support the wars The Holocaust propaganda which emerged after World War II further solidified this image of Germany as history's ultimate villain But how true is this official

story Was Germany really history's ultimate villain In this book the author paints a different picture He explains that Germany was not the perpetrator of World War I nor World War II but instead was the victim of Allied aggression in both wars The instability wrought by World War I made the 1917 Bolshevik Revolution in Russia possible which brought world Communism into existence Hitler and Germany recognized world Communism with its base in the Soviet Union as an existential threat to Western Christian Civilization and he dedicated himself and Germany to a death struggle against it Far from being the disturber of European peace Germany served as a bulwark which prevented Communist revolution from sweeping over Europe The pity was that the United States and Britain did not see Communist Russia in the same light ultimately with disastrous consequences for Western Civilization The author believes that Britain and the United States joined the wrong side in the war

The Traitors Josh Ireland, 2017-07-13 An epic tale of love dishonour bravery cowardice betrayal and high treason Beautifully written A stunning debut Damien Lewis Playboy Fascist Strongman Thief Traitors John Amery is a drunk and a fanatic an exiled playboy whose frail body is riven by contradictions Harold Cole is a cynical murderous conman who desperately wants to be seen as an officer and a gentleman Eric Pleasants is an iron willed former wrestler he is also a pacifist and will not be forced into fighting other men's battles William Joyce can weave spells when he talks but his true gifts are for rage and hate By the end of the Second World War they will all have betrayed their country The Traitors is the story of how they came to do so Drawing on declassified MI5 files it is a book about chaotic lives in turbulent times idealism twisted out of shape of torn consciences and abandoned loyalties and the tragic consequences that treachery brings in its wake

Anti-Semitism in British Society, 1876-1939 Colin Holmes, 2015-10-16 This is the first detailed

study of anti semitism as an ideology among the British First published in 1979 it concentrates on the crucial period between 1876 and 1939 when against a background of Jewish immigration war or the threat of war and social and economic unrest hostility towards the Jewish community reached its peak Colin Holmes identifies the main strands of anti semitic thought and their expression starting with the Eastern Crisis of 1876 which sparked off the first serious manifestation of anti semitism He shows how before 1914 opposition towards Jews rested on religious and other perceived cultural distinctions It was only after the First World War that a sinister and significant change of emphasis occurred racism now became the dominant feature of anti semitism and was reinforced by theories of conspiracy the most notorious being The Protocols of the Elders of Zion Anti semitism has no uniform cause or characteristic and a single explanation cannot suffice This book elucidates the complex range of factors involved using both historical and sociological methods and drawing on extensive and sometimes controversial research

Searching for Lord Haw-Haw Colin Holmes,2016-07-28 Searching for Lord Haw Haw is an authoritative account of the political lives of William Joyce He became notorious as a fascist an anti Semite and then as a Second World War traitor when assuming the persona of Lord Haw Haw he acted as a radio propagandist for the Nazis It is an endlessly compelling story of simmering hope intense frustration renewed anticipation and ultimately catastrophic failure This fully referenced work is the first attempt to place Joyce at the centre of the turbulent traumatic and influential events through which he lived It challenges existing biographies which have reflected not only Joyce s frequent calculated deceptions but also the suspect claims advanced by his family friends and apologists By exploring his rampant increasingly influential narcissism it also offers a pioneering analysis of Joyce s personality and exposes its dangerous destructive consequences What a saga my life would make Joyce wrote from prison just before his execution Few would disagree with him

Fascism in Britain and the Extreme Right Vision Patrick G. Zander,2025-09-02 This book is a new assessment of the ideology and political program of Britain s fascist and extreme right wing community during the interwar period 1919 1940 It examines this group s belief system as it clustered around three major preoccupations Modernization Empire and War In doing so the book identifies many inconsistencies contradictions and moral failings which contributed to the failure of the far right tendency in the interwar years The numerous beliefs and policies examined all point to a movement that was determined to return Britain to the levels of global power and international leadership it had once enjoyed but by means of policies of disengagement and isolation As such it provides insight into the resurgence of the extreme right today

Radio Hitler Nathan Morley,2021-06-15 The first in depth look at German home service radio stations during WW2 this is a fascinating insight into how the Nazi war machine sought to shape public opinion at home and abroad Based on original research and unlimited access of German archives Radio Hitler is an important new addition to the literature surrounding Nazi Germany

Virtual History: Alternatives And Counterfactuals Niall Ferguson,2008-08-06 What if there had been no American War of Independence What if Hitler had invaded Britain What if Kennedy had lived What if Russia had won the

Cold War Niall Ferguson author of the highly acclaimed *The Pity of War* leads the charge in this historically rigorous series of separate voyages into imaginary time and provides far reaching answers to these intriguing questions Ferguson's brilliant 90 page introduction doubles as a manifesto on the methodology of counterfactual history His equally masterful afterword traces the likely historical ripples that would have proceeded from the maintenance of Stuart rule in England This breathtaking narrative gives us a convincing detailed alternative history of the West from the accession of James III in 1701 to a Nazi occupied England to a U S Prime Minister Kennedy who lives to complete his term *William L. Shirer: Twentieth Century Journey* William L. Shirer, 2020-10-16 Now in one volume the three part autobiography from the National Book Award winning author of *The Rise and Fall of the Third Reich* The former CBS foreign correspondent and historian provides an invaluable look back at his life and the events that forged the twentieth century The Start 1904 1930 In the first of a three volume series Shirer tells the story of his early life growing up in Cedar Rapids and later serving as a new reporter in Paris The Nightmare Years 1930 1940 In the second of a three volume series Shirer chronicles his time in Europe as Hitler dominated Germany and began one of the most dangerous conflicts in world history A Native's Return 1945 1988 The most personal of the three volumes this edition offers an honest look at the many personal and professional setbacks Shirer experienced after World War II ended and delivers a fascinating take on the aftermath of the war Series praise Mr Shirer stirs the ashes of memory in a personal way that results in both a strong view of world events and of the need for outspoken journalism Had Mr Shirer been merely a bland objective reporter without passion while covering Hitler's Third Reich this book and his other histories could never have been written The New York Times Included in Shirer's well wrought narrative are such little known events as the trials of American broadcasters who propagandized for the Third Reich during WWII as well as such more familiar matters as the McCarthyism of the 1950s The author's comments are refreshingly unfettered by self consciousness A fine fitting conclusion to an important work of autobiography Kirkus Reviews **Racketeers of Hatred** Louis W. Bondy, 1946 *Voices from Exile*, 2015-11-24 The sixteen essays in this volume are a tribute to Hamish Ritchie's deep interest in exile as a literary and historical phenomenon The first eight focus on the British and Irish context including studies of Jrgen Kuczynski and his family Martin Miller Lilly Kann Hermann Sinsheimer Albin Stuebs Ludwig Hopf and Paul Bondy as well as contributions on the Association of Jewish Refugees and the exile experience as reflected in Klaus Mann's *Der Vulkan* The following four contributions widen the discussion to encompass Germany the Netherlands Austria and Yugoslavia by focusing on the diaries of Anne Frank and Etty Hillesum the early poetry of Bertolt Brecht and works by Vladimir Vertlib Aleksandar Ajzinberg and David Albahari The historical dimension is deepened with contributions on William Joyce Joseph Jonas the marginalisation of the mass emigration of the Jews within German memory and the exile of princesses for whom until recent times marriage often meant a life far from home Benjamin Disraeli Bernard Glassman, 2003-04-18 Discusses Disraeli's image in his lifetime and the myth of the Jewish Prime Minister after his death During his life Disraeli

was proud of his belonging to the noble Jewish race His friends and enemies as well never forgot that he was born a Jew When attacking him his political adversaries Gladstone and others first of all attacked his Jewish origins They questioned the sincerity of his baptism and his British patriotism The antisemitic campaign against Disraeli peaked in 1875-78 in the time of the Turkish atrocities when he was blamed for promoting Jewish interests Disraeli's death 1881 coincided with the beginning of a mass Jewish immigration to Britain and a revival of antisemitism in the country With the rise of political antisemitism throughout the Western world Disraeli became an example of the international Jew pushing for world power After World War I his image was also used by radical antisemites and especially the Nazis and their sympathizers as a demonstration of the world Jewish conspiracy
