Rivera, Alexander E. Hooke, 2018-10-09 In The Twilight Zone and Philosophy philosophers probe into the meaning of the classic TV series The Twilight Zone Some of the chapters look at single episodes of the show while others analyze several or many episodes Though acknowledging the spinoffs and reboots the volume concentrates heavily on the classic 1959 1964 series Among the questions raised and answered are What's the meaning of personal identity in The Twilight Zone Number 12 Looks Just Like You Person or Persons Unknown As the distinction between person and machine becomes less clear how do we handle our intimacy with machines A question posed in the very first episode of The Twilight Zone The Lonely Why do our beliefs always become uncertain in The Twilight Zone Where Is Everybody Just where is the Twilight Zone Sometimes it's a supernatural realm but sometimes it's the everyday world of reality What does the background music of The Twilight Zone teach us about dreams and imagination Is it better to lose the war than to be damned Still Valley How far should we trust those benevolent aliens To Serve Man Where's the harm in media addiction Time Enough at Last Is there something objective about beauty The Eye of the Beholder Have we already been conquered The Monsters Are Due on Maple Street Are there hidden costs to knowing more about other people A Penny for Your Thoughts **The Twilight Zone FAQ** Dave Thompson, 2015-11-01 The Twilight Zone is among the most beloved shows in American television history a pioneering fantasy behemoth that bridged the cultural gap between the 1950s and 1960s with thought provoking mystery mind boggling theorems and occasionally outright horror The Twilight Zone FAQ takes the reader back to that halcyon era looking back on the show and its impact as a force for societal change via reflections on the manifold topics and controversies that the show took on from the space race to the Red Menace from paranoia to madness and beyond Dave Thompson traces the history of the show from its earliest flowering in the mind of then unknown Rod Serling through its slow birth shaky beginning and breathless five season run and he shows how it became the blueprint for so much of the fantasy television that has followed Chapters deal with the comic books novels and many other spin offs including the movie the TV revamps and even the amusement park ride In addition this FAQ offers a full
