American Evangelicals for Trump André Gagné, 2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump. Specifically, it focuses on the Neocharismatic Pentecostal NCP leaders, their beliefs, and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency. Additionally, the book discusses how NCP leaders are part of the Christian Right, a religious coalition with a political agenda centered on controversial issues such as anti-abortion activism, opposition to LGBTQ rights, and the protection of religious freedom. Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020: Dominion, Spiritual Warfare, and Eschatology, the End Times, the book examines how these ideas have sustained the evangelicals close to U.S. political power in the Trump era. In light of the potential for Trump's return to power in 2024, the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring. It is an essential read for all students and researchers of Evangelicalism.

Seated in the Heavenly Realms Young Jae Song, 2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God s creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology **Spiritual Revolution** Patricia King, 2011-07-28 Spiritual Revolution will shake the way you think about the supernatural power of God and your role in combating the counterfeit signs and wonders of today s cults Spiritual Revolution contains stories insights and practical suggestions about how you can aggressively choose to live in the supernatural power of God In this powerful book filled with facts and personal experiences you will clearly discover the difference between Churchianity Christianity Godly power satanic control Fact truth Supernatural visitations occult experiences Christians no longer need to sit idly by while the world is bombarded with new age practices witchcraft and satanism No matter who you are or where you live you play a vital role in establishing God s plan for the earth Join the Spiritual Revolution Author teacher and prophet Patricia King sounds the alarm for believers to entertain angelic creatures and slay the dragons She leads you into the spiritual dimension where you will discover the glorious Third Heaven through the power of the Holy Spirit Enlist in the Spiritual Revolution and you will be transformed into a powerful witness throughout an eternal lifetime **God Thoughts 2** U K Edward Balentine, 2019-06-07 This book was written for those who have perhaps become disillusioned with the condition of today s church Over the years much of the content of our faith has been seriously diluted many words have been emptied of meaning and much vibrancy has been lost

Found in these writings is the offering of some thoughts that can help us regain some of what we have lost Jesus is still building his church today whether or not we can see it and it is the author's hope that these writings are part of his reconstruction *Testimony of Christ's Second Appearing, Exemplified by the Principles and Practice of the True Church of Christ* Benjamin Seth Youngs, 1856

Christianity in Brazil Sílvia Fernandes, 2021-09-09 This book offers a novel approach to considering Brazilian Christianity's interplay with global processes from its inception to the present day It adopts a multi-scalar approach to Brazilian Christianity linking local grassroots practices and beliefs with processes at the various spatio-temporal levels These include regional rural urban diversification national secularization the radical pluralization of the Christian field and intensified detraditionalization and retraditionalization and transnational Sílvia Fernandes also identifies longue durée dynamics that connect colonial Christianity with current events including the rise crisis and resurgence of Progressive Catholicism and the election of right wing populist Jair Bolsonaro with support from a sizable number of Evangelical Protestants and Charismatic Catholics as well as traditionalist Catholics This book demonstrates that as Christianity enters its third millennium it is increasingly shaped by churches and movements based in the Global South that have transnational and diasporic reach through the circulation of migrants religious entrepreneurs pilgrims and tourists as well as by the expert use of electronic media
