Courting History James F. Simon, 2025-05-13 A Supreme Court historian's memoir places court events in the larger context of American history Legal scholar James F Simon

has written many acclaimed books on the history of the US Supreme Court but in this memoir he turns his attention to a more personal subject himself Simon a native of Fort Worth details what it was like growing up in segregated Texas He left home for college and law school at Yale interspersed with travels abroad to build a schoolhouse in Ghana work at an Israeli kibbutz and spend a year on a fellowship in India Simon worked as a legal journalist for Time magazine before embarking on a career as a Supreme Court historian He later was appointed professor of constitutional law and served as dean of New York Law School Meanwhile he continued his work on what became his specialty well researched books on the history of the Supreme Court that place events at the court in the larger context of American history Much of this research is included in his papers which are now housed at the Briscoe Center for American History In this engaging memoir Simon describes the challenges of interviewing Supreme Court justices and researching constitutional history for his books and juggling his law school and family responsibilities all the while reflecting on changing American perspectives on civil rights and liberties

The Wrong Dog Dream Jane Vandenburg, 2014-04-15 The author calls this a true romance saying it s the part of her personal history she being superstitious was almost afraid to write She d grown up accustomed to bad luck but had by accident or miracle survived her own circumstances being orphaned her own misspent youth the chaos of a broken marriage She d more than survived she d even triumphed and had awakened into a kind of charmed splendor to find herself living in a white marble city with storybook castles knowing famous people being invited to the White House to listen to her husband discuss Yeats with the President of the United States as Bill Clinton drinks Diet Coke from the can And into this fabled chapter of the writer s life comes the perfect dog an English Springer Spaniel named Whistler who arrives not only the family pet but as her private symbol of triumph over all that age old sadness She wants to ignore it but can t help but see that their perfect pup is something of a neurotic mess snarling at manhole covers barking at children growling at people in wheelchairs The writer herself is not seemingly done with the anxieties born of all that early trauma and loss and she begins to worry obsessively about losing this difficult dog the one they so love Wrrrrnnngdgggg she begins to dream Wrrrrnnnnng dgggg

Dream a Little Scream Mary Kennedy, 2015-08-04 The national bestselling author of Nightmares Can Be Murder once again gathers together the members of the Dream Club in Savannah Georgia where the book tour of a famous chef becomes a recipe for disaster Behind her down home folksy persona celebrity chef Sonia Scott is a real Dixie diva who s made plenty of enemies in her climb to the top of the culinary world One of them is the newest member of the Dream Club Etta Mae Beasley who claims Sonia stole her family s recipes and used them in her latest cookbook After Sonia s suspicious death from anaphylactic shock at a book signing held at Taylor and Ali s retro candy store Etta s revelation sows seeds of doubt in Taylor Blake s mind Now the Dream Club needs to put their heads together to determine if one of their own decided to give the chef her just desserts

Archives, Documentation, and Institutions of Social Memory Francis Xavier Blouin, William G. Rosenberg, 2006-03-31 As sites of documentary preservation rooted in various national and social contexts artifacts of culture

and places of uncovering archives provide tangible evidence of memory for individuals communities and states as well as defining memory institutionally within prevailing political systems and cultural norms By assigning the prerogatives of record keeper to the archivist whose acquisition policies finding aids and various institutionalized predilections mediate between scholarship and information archives produce knowledge legitimize political systems and construct identities Far from being mere repositories of data archives actually embody the fragments of culture that endure as signifiers of who we are and why The essays in Archives Documentation and Institutions of Social Memory conceive of archives not simply as historical repositories but as a complex of structures processes and epistemologies situated at a critical point of the intersection between scholarship cultural practices politics and technologies **State Library bulletin** New York State Library,1897
