Serving Proudly Susan H. Godson,2001 **More Than a Uniform** Winifred Quick Collins,Herbert M. Levine,1997 Joining the Navy in 1942 four days after passage of the law allowing women to serve as commissioned officers Collins developed procedures for the classification of women officer candidates helped shape the Navy s personnel policies for women for twenty years and retired in 1962 with the highest rank a woman could then hold

Crossed Currents Mary-Beth Hall,2014-09-01 This new revised edition of the path breaking first history of the female members of the U S Navy has been updated to include the recent integration of Navy women into the crews of combatant ships and tactical aviation squadrons and the contributions of Navy women to the space program It is a comprehensive chronicle of inspirational service spanning nearly the entire century

Women in the Navy: The History Thomas J. Cutler,2015 *First Class* Sharon Hanley Disher,2005-07-30 When Sharon Hanley Disher entered the U S Naval Academy with eighty other young women in 1976 she helped end a 131 year all male tradition at Annapolis Her entertaining and shocking account of the women s four year effort to join the academy s elite fraternity and become commissioned naval officers is a valuable chronicle of the times and her insights have been credited with helping us understand the challenges of integrating women into the military services From the punishing crucible of plebe summer to the triumph of graduation she describes their search for ways to survive the mental and physical hurdles they had to overcome Unflinchingly frank she freely discusses the prejudice and abuse they encountered that often went unpunished or unreported A loyal Navy supporter

nevertheless Disher provides a balanced account of life behind the academy's storied walls for that first group of teenaged women who charted the way for future female midshipmen. Lively, well researched and amazingly good humored, the book seems as fresh today as it was when first published in hardcover in 1998. **First Class** Sharon Disher, 2013-07-31. When legislation was passed in 1948 giving women permanent status in the regular and reserve Navy, it was largely due to the efforts of Joy Bright Hancock, the author of this revealing memoir. Her prominent role was acknowledged at the time by the secretary of the navy who credited her ideals, energy and enthusiasm as the moving force behind the historic integration of women into the U S Navy, including the 1942 establishment of the WAVES (Women Accepted for Volunteer Emergency Service). This personal account of those formative years has long been considered the best study available. Originally published in 1972 and out of print for nearly twenty five years, it is now being reissued in paperback to commemorate the sixtieth anniversary of the birth of the WAVES. Hancock's own work as a Yeoman in World War I offered the armed services a lesson in the benefits of having women in uniform. Her descriptions are eye opening of those early days and her later efforts when finally in a position of authority to argue the case for women. With a wealth of documentation and numerous photographs, she chronicles not only her career but also the evolution of Navy women, offering colorful details of the legislative battles to get women admitted into the regular Navy. She reminds us that although it was not until 1967 that the last restriction of rank was removed, WAVES always served with equal pay for equal work. This new edition of her book will introduce generations of Americans to the problems of establishing a place for women in the Navy and details of Hancock's dogged pursuit of fair treatment for women in the armed services.
