1001 Quotes, Illustrations, and Humorous Stories for Preachers, Teachers, and Writers Edward K. Rowell, 2008-05 Anyone who speaks for a living knows that at some point you just run out of relevant stories to tell And there s nothing more embarrassing to a preacher or teacher than a listener pointing out that they ve heard a story three or four times now What s a busy speaker to do Edward K Rowell and Leadership journal have come to the rescue with this fresh compilation of quotes idea starters illustrations and humor to jump start or add kick to speeches sermons and lessons This easy to use volume is the perfect addition to the library of any pastor teacher or public speaker

Enemies of God Timothy E. Pace, 2022-02-03 We have often heard that God hates the sin but loves the sinner But is this an accurate statement Does the scripture really bear that out While there may be a small amount of truth to that statement is this how God views those who oppose Him If we take a deeper look into the truth of God s word we may be surprised to find out that God s love is just as pure as His wrath The purpose of this book is not to provide the reader with a spiritual lightning strike every other sentence but to provide the reader with a warning concerning how we approach God We must come to Him in humility and on His terms We must have a reverential fear of the Lord because not only is He a God of grace and mercy but He is also the righteous Judge who will render to every man what is due This book is intended to warn those who choose to disobey God and go their own way But also it is intended to give hope to the reader who may be struggling with their faith God is a merciful God who forgives those who are of a contrite heart He never turns anyone away who desires forgiveness and is willing to repent their sinful lifestyle to follow Christ Those who call on His name will find peace and cleansing Those who do not call on Christ will become an enemy to God
