Siphiwo Mahala

University Of Limpopo Medunsa Campus Application Form 2016:

Challenges and Opportunities of Open Educational Resources Management Thanuskodi, S.,2020-06-26 Education is a fundamental human right yet much of the world's population lives with poor literacy. Due to rapidly growing technology and internet usage, open educational resources (OER) are increasingly being used to help transcend barriers to literacy while also aiding in educational attainment. With tremendous developments in ICTs, the education system of today has been enriched by various OERs. The optimal utilization of opportunities provided by the technological developments presents a profound challenge for education systems and has serious implications involving cost, access, equity, pedagogy, and quality. **Challenges and Opportunities of Open Educational Resources Management** is an essential research publication that explores access to information and societal and economic hurdles that contribute to informational inaccessibility. Highlighting topics such as e-resources, digital libraries, and information management, this book is ideal for librarians, academicians, computer scientists, researchers, policymakers, and students. Moreover, the book will provide insights and support executives concerned with the management of expertise, knowledge, information, and organizational development in different types of work communities and environments. **Research Anthology on Collaboration, Digital Services, and Resource Management for the Sustainability of Libraries** Management Association, Information Resources,2021-01-15 Faced with increased budget cuts, libraries must continue to advance their services through new technologies and practices in order to keep pace with the rapid changes society is currently facing. The once traditional in-person services offered can no longer be the only option, and to keep themselves afloat, libraries must offer more in terms of digital services. The convenience of offering mobile and digital services brings a new wave of accessibility to libraries and a new question on just how much libraries will need to change to meet the newfound needs of its patrons. Beyond offering these digital services, libraries are incorporating other types of technology in multifaceted ways such as utilizing artificial intelligence, practices, social media, and big data management. Moreover, libraries are increasingly looking for ways to partner and collaborate with the community, faculty, students, and other libraries in order to keep abreast of the best practices and needs of their users. The **Research Anthology on Collaboration, Digital Services, and Resource Management for the Sustainability of Libraries** explores emerging strategies and technologies that are redefining the role of the library within communities and academia. This reference book covers extensive ground on all the ways libraries have shifted to manage their resources, digitalize their services, and market themselves within the new technological revolution. These continued shifts for libraries come with benefits, challenges, and future projections that are critical for discussion as libraries continue to strive to remain updated and relevant in times of change. This book is ideal for librarians, archivists, collection managers, IT specialists, electronic resource librarians, practitioners, stakeholders, researchers, academicians, and students who are interested in the current state of libraries and how they are transforming to fit modern needs. **Ritual Healing in the Zion Christian Church in South Africa** Mookgo

Solomon Kgatle,2025-10-16 This book signifies a distinct separation of the ritual healing process in the Zion Christian Church from traditional African medicine while also attempting to synthesize contemporary medical approaches with indigenous knowledge systems The Zion Christian Church is recognized for its distinctive amalgamation of religious activities which include faith healing prophecy and significant pilgrimages particularly the Easter pilgrimage to Moria Despite the church's emphasis on the Christian identity within its faith healing practices some observers interpret various rituals and beliefs as syncretic Consequently these readings have led to allegations that the church integrates aspects of African traditional medicine and witchcraft into its rituals This book utilizes the church as a case study to examine healing faith practices and rituals thereof within the larger framework and context of African Independent Churches This theology is used to help place the faith of patients and the importance of God's role as healer ahead of the healing rituals Its unique theme driven interconnected chapters contain discussions around various practices encompassing purification and protection rituals as well as therapeutic worship Consequently scholars in religious studies theology anthropology and history will find this book an important resource in understanding the role of healing rituals among African Independent Churches **This is the Set**

Time Nsovo Manganyi,2024-03-01 I dedicate this book to anyone who has been in one place or position for the longest time and needs to move forward to a better place This is the set time for you to move to a place or position God has predestined you for You are created for greatness and not to be average You are about to shift and after reading this book I believe and trust God will have moved you to that place of greatness Be encouraged to read from first page to the end Your life will never be the same again This is the set time for God to set you free from all the bondage you are going through This is the set time to experience the fullness of God's love and His movement in your life as He fights your battles for you This is the set time to overcome what was defeating you God cares about you and He knows what you are going through He is ready to comfort and restore you back to His likeness Nsovo Manganyi *Annual Report ...* South Africa. Department of Higher Education and Training,2016 **Looking Through Philosophy in Black** Mabogo Percy More,2018-12-11 This autobiography is a series of interrelated true life events and decisions taken by a black philosopher that highlight the human drama unfolding in the inferno of the South African apartheid system Mabogo More details what it means to be a black philosopher in an anti black apartheid academic world More's life story traces his emergence in philosophy and his pursuit of a philosophical dream a dream that takes him from his South African black ghetto township to American and British universities and finally to the prestigious Frantz Fanon Lifetime Achievement award His extraordinary philosophical autobiography with an emphasis on African existentialism that takes into account issues of racism identity liberation freedom alienation responsibility and bad faith is supplemented by three key essays from his intellectual career representing the extraordinary contribution he has made to African philosophy and black existentialism **Can Themba** Sipiwo Mahala,2022-03-30 Mahala's biography gives insight into the life and writing of Can Themba 1924-1967 an iconic figure of the South African literary world and Drum

journalist who died in exile Can Themba *The Intellectual Tsotsi* a Biography brings to life the iconic South African writer and journalist Can Themba 21 June 1924 8 September 1967 who died while exiled in Swaziland in 1967 Best known for his classic short story *The Suit* Themba has been somewhat of an enigma with very little known about his personal life This biography brings forth the voices of those who had personal interactions with him shining the light on different aspects of his life including education literature journalism and political fraternities It features interviews with prominent individuals including his former students Abdul Bham Pitika Ntuli and Mbulelo Mzamane journalistic mentees Juby Mayet and Joe Thloloe as well as friends colleagues and contemporaries Parks Mangena Peter Magubane Jurgen Schadeberg Don Mattera and Nadine Gordimer in addition to artists and academics Mothobi Mutloatse Muxe Nkondo and Njabulo S Ndebele Also featured in this biographical text are veteran political figures such as Mangosuthu Buthelezi Lindiwe Mabuza and Ahmed Kathrada Themba's intellectual acumen scholarly aptitude and witticism are some of his most revered characteristics amongst those who had interactions with him either in person or through comprehensive reading of his works Mahala is a master storyteller and deftly weaves together the threads of Themba's dynamic life In this edifying biography Mahala recreates the sparkle and pathos of Sophiatown of the 1950s and the Drum era Can Themba's successes and failures as well as his triumphs and tribulations reverberate on the pages of this long awaited biography

Photocatalysts in Advanced Oxidation Processes for Wastewater Treatment Elvis Fosso-Kankeu, Sadanand Pandey, Suprakas Sinha Ray, 2020-04-28 Photocatalysts in Advanced Oxidation Processes for Wastewater Treatment comprehensively covers a range of topics aiming to promote the implementation of photocatalysis at large scale through provision of facile and green methods for catalysts synthesis and elucidation of pollutants degradation mechanisms This book is divided into two main parts namely Synthesis of effective photocatalysts Part I and Mechanisms of the photocatalytic degradation of various pollutants Part II The first part focuses on the exploration of various strategies to synthesize sustainable and effective photocatalysts The second part of the book provides an insights into the photocatalytic degradation mechanisms and pathways under ultraviolet and visible light irradiation as well as the challenges faced by this technology and its future prospects *Fools' Gold* Arja

Salafranca, 2019-12-06 An anthology of selected short stories all of which were previously published in an individual writers collection or in either *Stray* or *The Bed Book of Short Stories* published by Modjaji Books The authors include Sarah Lotz internationally best selling author Lauri Kubuitsile Makhosazana Xaba Meg Vandermerwe Arja Salafranca Wame Molefhe Jolyn Phillips Melissa de Villiers Sandra Hill Reneilwe Malatji Jayne Bauling Jo Ann Bekker Julia Martin Isabella Morris Alex Smith Isabella Morris and Colleen Higgs Several of the authors went on to win awards for their collections see below and one of the stories was shortlisted for the Caine Prize Modjaji has a proud history of publishing debut short story collections that are successful in literary and sales terms There are few other publishers who take the risk of publishing debut short story collections
