Who Dun It? Meredith Curtis, 2016-05-15 It's a rainy day and there's only one thing to do Make some hot chocolate and curl up with a cozy little murder mystery Match your wits against the detective and see if you can discover who did it Does that sound fun to you and your high school student Have you dreamed of writing your own mystery Every high school student should write a novel sometimes during their high school years It's a valuable learning experience and most students end up enjoying the process and the finished product your very own book In our house since we love cozy mysteries we decided to write our own *Who Dun It* in the pattern of the Golden Age of Mystery With examples like Hercule Poirot Miss Jane Marple Sherlock Holmes Father Brown and Lord Peter Wimsey we created our own detective By reading Agatha Christie Dorothy Sayers Mary Higgins Clark G.K. Chesterton Sir Conan Doyle and other classic mystery authors we created our own pattern to write our very own cozy mystery novel *Who Dun It Murder Mystery* Literature Writing a one credit high school English course teaches literature and writing with the murder mystery crime fiction drama genre Teens read classic golden age mysteries and discuss them while learning the elements of literature in a group setting co-op or with family The first half of the year students create their detectives assistants suspects plot setting theme clues red herrings and murderer as well as write a short story Then the second half of the year they write their own murder mystery Would you like to focus one year of high school English on reading and writing mysteries Then take our English course this year at home with your family or with

Carrie Sheffield,2024-03-12 In the vein of Educated and Hillbilly Elegy comes a young woman s memoir chronicling her harrowing journey from despair to salvation that showcases the depths and resilience of the human spirit and empowers readers on their own paths toward healing forgiveness and redemption Carrie Sheffield grew up fifth of eight children with a violent mentally ill street musician father who believed he was a modern day Mormon prophet destined to become U S president someday She and her seven siblings were often forced to live as vagabonds remaining on the move across the country They frequently subsisted in sheds tents and most notably motorhomes They often lived a dysfunctional drifter existence camping out in their motorhome in Walmart parking lots Carrie attended 17 public schools and homeschool all while performing classical music on the streets and passing out fire and brimstone religious pamphlets at times while child custody workers loomed Carrie s father was eventually excommunicated from the official LDS Church and she was the first of her siblings to escape the toxic brainwashing of his fundamentalist creed Declared legally estranged from her parents Carrie struggled with her mental health during college and for most of her adult life But she eventually seized control of her life transcended her troubled past and overcame her toxic inner voice and a near death experience thanks to the power of forgiveness cultivated through her conversion to Christianity She evolved from a scared and abused motorhome dwelling girl to a Harvard educated professional with a passion for empowering others to reject the cycles of poverty depression and self hatred Motorhome Prophecies is the story of Carrie s unbelievable yet in many ways very American journey It resonates with those trapped in difficult situations and awes all who are enchanted by the depths and resilience of the human spirit

Identifying, Describing, and Developing Teachers Who Are Gifted and Talented Van Sickle, Meta L.,Swanson,

Julie D.,Bazler, Judith A.,Lubniewski, Kathryn L.,2018-12-07 Much of the research about teachers focuses on those who can't don't aren't good in the classroom However teachers who are gifted and talented exist but there has been little attention to date on the characteristics and practices of such teachers in the classroom While few the examples of research on positive teacher attributes include work on the expert authentic and creative as well as examples of research on eminent adults Identifying Describing and Developing Teachers Who Are Gifted and Talented is an essential reference source that discusses behaviors and traits in teachers who are considered gifted and talented as well as case studies on the identification and preparation of teachers who fall into this category Featuring research on topics such as creative innovation emotional intelligence and skill development this book is ideally designed for educators administrators researchers and academicians
