

Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series

David R. Boyd

Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series:

Unnatural Law David R. Boyd, 2011-11-01 While governments assert that Canada is a world leader in sustainability Unnatural Law provides extensive evidence to refute this claim A comprehensive assessment of the strengths and weaknesses of Canadian environmental law the book provides a balanced critical examination of Canada's record focusing on laws and policies intended to protect water air land and biodiversity Three decades of environmental laws have produced progress in a number of important areas such as ozone depletion protected areas and some kinds of air and water pollution However Canada's overall record remains poor In this vital and timely study David Boyd explores the reasons why some laws and policies foster progress while others fail He ultimately concludes that the root cause of environmental degradation in industrialized nations is excessive consumption of resources Unnatural Law outlines the innovative changes in laws and policies that Canada must implement in order to respond to the ecological imperative of living within the Earth's limits The struggle for a sustainable future is one of the most daunting challenges facing humanity in the 21st century Everyone academics lawyers students policy makers and concerned citizens interested in the health of the Canadian and global environments will find Unnatural Law an invaluable source of information and insight For more information on Unnatural Law visit David Boyd's site www.unnaturallaw.com

Law and Society Series Dale Brawn, 2014-01-01 Using the judiciary of Manitoba as a model Paths to the Bench examines the political nature of Canada's judicial appointment process and suggests that ability alone seldom determined who went to the bench In fact many of Manitoba's early judges spent little time actually practising law since professional merit was not a criterion for judicial appointments Rather it was relationships with influential mentors and communities that ensured appointments and ultimately propelled careers Brawn offers an in depth analysis of how the paths to the bench of competent and connected and less competent and connected lawyers differed This book is one of the few studies to examine why many of the best and brightest members of the bar either did not want to go to the bench or if they did why they did not get there

Unnatural Law David R. Boyd, 2007-10 This award winning book comprehensively assesses the strengths and weaknesses of Canadian environmental law

The Subjugation of Canadian Wildlife Max Foran, 2018-04-10 Hardly a day goes by without news of the extinction or endangerment of yet another animal species followed by urgent but largely unheeded calls for action An eloquent denunciation of the failures of Canada's government and society to protect wildlife from human exploitation Max Foran's The Subjugation of Canadian Wildlife argues that a root cause of wildlife depletions and habitat loss is the culturally ingrained beliefs that underpin management practices and policies Tracing the evolution of the highly contestable assumptions that define the human wildlife relationship Foran stresses the price wild animals pay for human self interest Using several examples of government oversight at the federal provincial and territorial levels from the Species at Risk Act to the Biodiversity Strategy Protected Areas Network and provincial management plans this volume shows that wildlife policies are as much or more about human needs priorities and

profit as they are about preservation Challenging established concepts including ecological integrity adaptive management sport hunting as conservation and the flawed belief that wildlife is a renewable resource the author compels us to recognize animals as sentient individuals and as integral components of complex ecological systems A passionate critique of contemporary wildlife policy The Subjugation of Canadian Wildlife calls for belief change as the best hope for an ecologically healthy wildlife rich Canada

Extractive Industry and the Sustainability of Canada's Arctic Communities Chris Southcott, Frances Abele, Dave Natcher, Brenda Parlee, 2022-09-15 Modern treaties increased self government new environmental assessment rules co management bodies and increased recognition and respect of Indigenous rights make it possible for northern communities to exert some control over extractive industries Whether these industries can increase the well being and sustainability of Canada s Arctic communities however is still open to question Extractive Industry and the Sustainability of Canada s Arctic Communities delves into the final research findings of the Resources and Sustainable Development in the Arctic project which attempted to determine what was required for extractive industry to benefit northern communities Drawing on case studies this book explores how northern communities can capture and distribute a fairer share of financial benefits how they can use extractive activities for business development the problems and possibilities of employment and training opportunities and the impacts on gender relations It also considers fly in fly out work patterns subsistence activities housing post mine clean up activities waste management and ways of monitoring positive and negative impacts While extractive industries could potentially help improve the sustainability of Canada s Arctic many issues stand in the way most notably power imbalances that limit the ability of Indigenous Peoples to equitably participate in their governance Extractive Industry and the Sustainability of Canada s Arctic Communities emphasizes the general need to determine how new institutions and processes which are largely imported from the south can be adapted to allow for a more authentic participation from the Indigenous Peoples of Canada s Arctic

International Trade Law and Domestic Policy Jacqueline D. Krikorian, 2012-05-25 Critics of the World Trade Organization argue that its binding dispute settlement process imposes a neoliberal agenda on member states If this is the case why would any nation agree to participate Jacqueline Krikorian explores this question by examining the impact of the WTO s dispute settlement mechanism on domestic policies in the United States and Canada She demonstrates that the WTO s ability to influence domestic arrangements has been constrained by three factors judicial deference institutional arrangements and strategic decision making by political elites in Ottawa and Washington By bringing the insights of law and politics scholarship to bear on a subject matter traditionally addressed by international relations scholars Krikorian shows that the classic division in political science between these two fields of study though suitable in the postwar era is outdated in the context of a globalized world

Cleaner, Greener, Healthier David R. Boyd, 2015-09-01 Despite Canada s enduring image as a natural paradise every year thousands of Canadians become ill or die prematurely as a result of exposure to environmental hazards Canadians understand that their

health is inextricably linked to the health of the environment and are deeply concerned about the impacts of toxic substances on themselves and their children In Cleaner Greener Healthier David R Boyd sets out to remedy Canada s environmental health problems He begins by assessing the environmental burden of disease identifies its unequal distribution along racial and socio economic lines and estimates the associated economic costs He then compares Canadian environmental laws and policies with those in the United States Australia and the European Union delivering a provocative diagnosis of the root causes of Canada s second rate standards Finally drawing on strategies that protect citizens in other countries Boyd prescribes legal remedies that will enable Canada to catch up with the world s environmental leaders while delivering substantial health and economic benefits

About Canada: Corporate Crime Laureen Snider, 2015-04-01T00:00:00Z When corporations misbehave the consequences are devastating The monetary costs of the 2008 financial crisis a direct result of financial mismanagement were in the trillions and yet none of those responsible were held to account The monetary costs of Criminal Code theft pale in comparison and yet our prisons are filled with people who commit street theft In order to understand why governments regulators unions activists and community groups have such a difficult time preventing and sanctioning corporate criminals we must first recognize the vital role of corporate economic power Focusing on crimes against workers employees and the environment and financial crimes About Canada Corporate Crime traces the ways that particular systems of government from nineteenth century crony capitalism to neoliberalism and globalized capitalism develop policies regarding the socially harmful and illegal behaviour of corporations This book shows why governments are reluctant to pass enforce and administer meaningful regulation of corporations institutions and actors with the power to put thousands of potential voters out of work generate negative commentaries from highly respected experts and produce critical editorials from 80 percent of Canadian media owned and controlled let us remember by many of these same corporations Assessing the present state and future prospects of corporate crime this book asks How did we get here What do we know about corporate crime Why does it matter and What are the main issues developments today In the end it asks the most important question of all How can political and economic systems be changed to prevent or at the very least mitigate the tremendous damage corporate activities are inflicting on human lives health jobs communities and economies

Laws and Societies in the Canadian Prairie West, 1670-1940 Louis A. Knafla, Jonathan Swainger, 2011-11-01 Laws and Societies in the Canadian Prairie West 1670 1940 examines the legal history of the north west frontier from the earliest years of European Native contact in the seventeenth century to the mid 1900s Challenging myths about a peaceful west and prairie exceptionalism the book explores the substance of prairie legal history and the degree to which the region s mentality is rooted in the historical experience of distinctive prairie peoples The chapters written by a cross section of established and emerging scholars working in the allied fields of law legal history sociology and criminology focus on what is distinctive in prairie legal culture By approaching the issue from a variety of perspectives those of colonial administrators fur company

employees Native peoples women men entrepreneurs judges magistrates and the police among others the authors find evidence of a conscious effort to apply broad non regional experiences to seemingly familiar local issues The ways in which prairie peoples perceived themselves and their relationships to a wider world were directly framed by notions of law and legal remedy shaped by the course and themes of prairie history Legal history is not just about black letter law It is also deeply concerned with the ways in which people affect and are affected by the law in their daily lives By examining how central and important the law has been to individuals communities and societies in the Canadian Prairies this book makes an original contribution

The greening of golf Brad Millington, Brian Wilson, 2016-04-20 Golf is a major global industry The sport is played by more than 60 million people worldwide and there are more than 32 000 courses in 140 countries across the globe This book looks at the power relationships in and around golf examining whether the industry has demonstrated sufficient leadership on environmental matters to be trusted to make weighty decisions with implications for public and environmental health The first comprehensive study of the varying responses to golf related environmental issues it is based on extensive empirical work including research into historical materials and interviews with stakeholders in golf such as course superintendents protesters and health professionals The authors examine golf as a sport and as a global industry drawing on and contributing to literatures pertaining to environmental sociology global social movements institutional change corporate environmentalism and the sociology of sport An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide

range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series is one of the best book in our library for free trial. We provide copy of Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series. Where to download Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series online for free? Are you looking for Unnatural Law Rethinking Canadian Environmental Law And Policy Law And Society Series PDF? This is definitely going to save you time and cash in something you should think about.
