The Best Cardiff City Football Chants Ever A Fans, 2011 **Number Nine Dream** Robert Howley, Graham Clutton, 2011-11-25 Rob Howley was a late developer in terms of playing international rugby But the Cardiff Wales and British Lions scrum half has more than made up for lost time In *Number Nine Dream* Howley looks back at his career including his injury heartache his late development the pain of seeing a friend temporarily paralysed and the various scrapes with officialdom he has been involved in throughout his career He talks in detail about the teething problems of professionalism and how he one of Welsh rugby's all time great players has on more than one occasion been issued with an ultimatum by the West Wales Under 11s Rob Howley was desperate to realise his boyhood ambition to play senior rugby for his country Injuries and subsequent operations set back his progress and when he finally returned to action courtesy of a local valley faith healer he found himself involved in one of the most controversial transfers in Welsh rugby history Now a seasoned international and British Lion Howley tells a story of pride passion and extreme personal pain *Number Nine Dream* is a compelling recollection of events on and off the pitch and highlights exactly what goes on in rugby's corridors of power and behind the changing room doors **The Rough Guide to Wales** Mike Parker, Paul Whitfield, 2003 This guide covers everything from Wales pumping nightlife and rural cosmopolitanism to its crags and castles Critical reviews are given on accommodation and restaurants suiting all pockets from budget to luxury There are detailed descriptions of numerous walks from gentle lakeside strolls to serious mountain scrambles and water sports including surfing and the locally pioneered sport of coasteering **The Communist Party of Great Britain and the National Question in Wales, 1920-1991** Douglas Jones, 2017-10-15 While electorally weak the Communist Party of Great Britain and its Welsh Committee was a constant feature of twentieth century Welsh politics in particular through its influence in the trade union movement Based on original archival research the present volume offers the first in depth study of the Communist Party's attitude to devolution in Wales to Welsh nationhood and Welsh identity as well as examining the party's relationship with the Labour Party Plaid Cymru and the labour and nationalist movements in relation to these issues Placing the party's engagement of these issues within the context of the rapid changes in twentieth century Welsh society debates on devolution and identity on the British left the role of nationalism within the communist movement and the interplay of international and domestic factors the volume provides new insight into the development of ideas by the political left on devolution and identity in Wales during the twentieth century It also offers a broad outline of the party's policy in relation to Wales during the twentieth century and an assessment of the role played by leading figures in the Welsh party in developing its policy on Wales and devolution *The Ironmasters' Bags* Paul Reynolds, 2010-06-19 During its development and at the time that the south Wales iron industry was at its most successful the only way other than by personal contact in which contact between the different branches of the industry could be maintained was by letter Thus the postal service both the General Post Office and a multiplicity of private

posts made a vital contribution to the success of the industry which so far has received little attention This work traces the development of the postal service in the south Wales valleys from its primitive state in the mid 18th century to what had become a recognisably modern postal service a hundred years later It is based on information derived from the archives of the Post Office itself and of the various iron companies from contemporary newspapers and from oral tradition recorded by later historians in the Valleys
