Permission to Doubt Ann C. Sullivan, 2014-10-30 Ann C Sullivan has challenged and encouraged thousands of women as an international speaker In her first book *Permission to Doubt* she offers a candid look at when her faith and reason collided Through a thirteen year struggle with an undiagnosed panic disorder Ann learned several valuable lessons Never shy away from the big questions Always follow the evidence to its logical conclusion And genuine truth doesn't buckle under the bright lights of interrogation Ann uses these lessons to help readers recognize doubt and also shares unique step by step solutions in which faith can be reinforced in the midst of our struggle Using personal examples and an intensely practical approach *Permission to Doubt* informs challenges and encourages those who'd like to take their faith a little deeper It's an honest look at what faith is where it comes from how it's threatened and how it can be strengthened *Unquenchable* Carol

Kent, 2014-02-11 Where is your faith today first sparks of faith bright blue flames radiating heat raging bonfire red hot coals cooling embers cold grey ashes Is your love for God burning so brightly that you are consumed by its passion Are those who surround you drawn to its radiance and warmed by its heat Are sparks flying from you spreading a wildfire faith that ignites passion in others Or has your passion cooled your light dimmed or your fire been quenched Throughout history God has chosen fire to represent his awesome power his judgment and wrath his protection and his Shekinah glory the flaming sword guarding Eden the burning bush the pillar of fire the fiery furnace the chariot of fire the burning coal the flame upon the altar the lake of fire and the flaming eyes of the Son of Man upon the throne these are only a few of the images he has seared into our minds that we might know him more fully God is the source of that first flicker that sparked your faith and one day you will stand in his holy presence look into the flaming eyes of Jesus and see his burning love for you face to face But between that first flicker and that heavenly meeting there is life to be lived on this earth The challenge we all face is that life can dim our fire or even quench it whether by the soggy mist of the mundane or the quenching downpour of crisis Carol Kent has discovered that God's Word is filled with the secrets of nurturing his fire in our lives sometimes painfully so other times even undetected refining purifying cauterizing healing and ultimately reshaping us into the image of his Son Author and speaker Carol Kent will take you into God's word and into your own story to reveal the true power of the fire God has placed in you to fan the flames of your faith stir your passion and embolden you to spark wildfires that will spread to forever change the landscape of this world beyond your wildest imagination God's fire is in your life Fan the flames Burn brightly Start a wildfire
