Symposium on Satanism (JCR Vol. 1 No. 2) R. J. Rushdoony, Gary North, David Ketchen, Thomas Molnar, Mark Wyndham, Diana Lynn Walzel, F. Seth Dyrness, Jean C. Blasdale, Greg Bahnsen, 2019-03-22 Witchcraft occultism paranormal science and mysticism are growing like plagues in the Western world These phenomena have baffled modern educators and conventional rationalists

since such activities seem to be completely opposed to everything that the public schools have taught for over a hundred years Worst of all in the minds of conventional secularists all this discussion of demonic forces may lead to an even more appalling conclusion the idea that God also a supernatural force may reappear in the modern post Christian world At all costs a God who can make himself felt in time and on earth must be avoided Mysticism is one thing totally internalized but supernatural forces are not supposed to have any impact on external so called phenomenal affairs Occultism is another form of humanism It is the product of the quest for power apart from God and His law order It was not a major force in the so called Dark Ages Not until the fifteenth century did witchcraft become a serious problem in Europe and it was the Renaissance not medievalism which sparked the great explosion of demonism and magic in the sixteenth century During the period of the early Middle Ages A D 500 1000 there were practically no signs of witchcraft in Europe Only with the revival of ancient Gnosticism and the invasion of Middle Eastern dualism did signs of widespread witchcraft reappear Occultism and humanism are not sworn enemies they are first cousins It was only the influence of Christian principles which laid such stress on the orderliness of God s universe that made possible the confidence of modern rationalists in denying the influence of supernatural forces As the confidence in creation law has waned in this century rational humanism has become increasingly unsuccessful in retarding the expansion of occult humanism This Journal of Christian Reconstruction offers readers the necessary evidence for a refutation of the familiar charge that occultism and religion necessarily go together and that only a hard headed rationalism can restrain the forces of spiritual anarchy Far from retarding occultism modern rationalism s blindness to the reality of occult forces is now creating a perverse inquisitiveness on the part of modernism s children who have learned to be critical of everything including old fashioned rationalism The philosophy of the open universe closed to God has produced the new occult experimentalism If anything except Christian orthodoxy might be true why not find out through personal observation and experiment Since 1965 the Western world has faced the greatest explosion of occultism that it has seen in three hundred years This time no one can blame orthodox Christianity it has been the secularists who have wielded the power

that carries out His will the kingdom of God We do the will of God in the kingdom of God of which the central government is the enthroned Son of Man Jesus who is Lord of all When we do the will of God in the kingdom of God under the government of God the church becomes the Israel of God which fulfills God's commission to subdue the earth to exercise dominion and to represent God with His authority As the Israel of God we represent God exercise His authority and carry out His administration on earth for the fulfillment of His purpose If we take the Father's will upon us as a yoke and learn from Him we will find rest for our souls Hence in the church age we need to enjoy Christ as our rest our perfect peace and full satisfaction in order to be His expression and representation on earth When there is a situation on earth in which man expresses God and represents Him that situation is a Sabbath rest to God Everything of God's economy is not a heavy burden but an enjoyment The Lord's yoke the Father's will is easy and His burden the work to carry out the Father's will is light It is a divine principle that God does not ask us to work until we have had rest and enjoyment It is in a full enjoyment with Him and of Him that we can work together with Him A central aspect of God's will is the church which is the assembly of the called out ones As such the meetings of the church are crucial to the carrying out of God's will Our doing God's will depends on our knowing His will and it is in the meetings that God makes His will known to us Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings we should regard the meetings as being of great importance The goal of our meeting together is to exhibit Christ therefore our Christian meetings should be an exhibition of our experience of Christ in our daily life Since the Father's eternal will and the desire of His heart are to build up the church as the Body of Christ we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
