Flores,2025-03-05 My journey of faith hasn't been a

straight easy path It s been a winding road filled with twists turns and unexpected detours From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy depression and anxiety my story is one of both immense challenge and unwavering hope I ve experienced moments of profound connection with God where His love has washed over me like a tidal wave I ve also stumbled through seasons of doubt where I questioned His existence and His plan for my life I ve been hurt by a church community that failed to live up to its calling of inclusion and love I ve felt isolated and alone overwhelmed by the physical and emotional burdens of my disability Yet through it all God s love has persisted His hand has been a steady guide leading me through darkness and into the light This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life It s a testament to the healing power of God a celebration of His unwavering love and a beacon of hope for others who are struggling with similar challenges I invite you to join me on this journey a journey of faith vulnerability and ultimate triumph Prepare to be challenged to be moved and to be reminded of the incredible power of God s grace in the face of life s most difficult trials This is more than just my story it s an invitation to embrace your own story to find strength in your faith and to discover the purpose God has uniquely crafted for you
