Unspeakable Susan Burch, 2009-11 Junius Wilson 1908 2001 spent seventy six years at a state mental hospital in Goldsboro North Carolina including six in the criminal ward He had never been declared insane by a medical professional or found guilty of any criminal charge But he was deaf and black in the Jim Crow South *Unspeakable* is the story of his life Wilson was born and lived the first years of his life with his family in a small town near Wilmington North Carolina At age seven he was sent to the residential State School for the Colored Blind and Deaf where he learned Raleigh Sign Language a unique form of signing taught only to blacks at that school After a minor infraction at age sixteen he was dismissed from school and sent back home where he was falsely accused of attempted rape in 1925 Judged insane by the court he was committed to the criminal ward of the State Hospital for the Colored Insane Wilson was castrated and forced to work on the hospital farm for decades He remained incarcerated for almost all of his life Although authorities knew from the 1960s onward that Wilson was not insane they did not know how to integrate him into society They determined that keeping him institutionalized was the most benevolent course of action In 1990 when social worker John Wasson reviewed Wilson s records he was shocked by what he read Lawsuits brought against the state by disability rights lawyers led to Wilson s release from the locked wards in the 1990s He spent the final years of his life in a cottage on the grounds of the hospital where staff continued to look after his daily needs Junius Wilson s life was shaped by some of the major developments of twentieth century America Jim Crow segregation the civil rights movement deinstitutionalization the rise of professional social work and the emergence of the deaf and disability rights movements There is much to learn and remember about Junius Wilson and the countless others who have lived unspeakable histories

The SAGE Deaf Studies Encyclopedia Genie Gertz, Patrick Boudreault, 2016-01-05 The time has come for a new in depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field The emergence of Deaf Studies programs at colleges and universities and the broadened knowledge of social sciences including but not limited to Deaf History Deaf Culture Signed Languages Deaf Bilingual Education Deaf Art and more have served to expand the activities of research teaching analysis and curriculum development The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid 1960s The field has been further influenced by the Deaf community's movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices A major goal of this new encyclopedia is to shift focus away from the Medical Pathological Model that would view Deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society By contrast The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct cultural group with a distinct and vibrant community and way of being Deaf Players in Major League Baseball R.A.R. Edwards, 2020-08-06 The first deaf baseball player joined the pro ranks in 1883 By 1901 four played in the major leagues most notably outfielder William Dummy Hoy and pitcher Luther Dummy Taylor Along the way deaf players developed a distinctive approach bringing visual acuity and sign language to the sport They crossed paths with other pioneers including Moses Fleetwood Walker and Jackie Robinson This book recounts their great moments in the game from the first all deaf barnstorming team to the only meeting of a deaf batter and a deaf pitcher in a major league game The true story often dismissed as legend of Hoy together with umpire Silk O Loughlin bringing hand signals to baseball is told

The Oxford Handbook of Taboo Words and Language Keith Allan, 2019 This volume brings together experts from a wide range of disciplines to define and describe taboo words and language and to investigate the reasons and beliefs behind them It examines topics such as impoliteness swearing censorship taboo in deaf communities translation of tabooed words and the use of taboo in banter and comedy

Out of the Horrors of War Audra Jennings, 2016-10-18 Drawing from extensive archival research Out of the Horrors of War demonstrates that disabled citizens in the World War II era organized a national movement for economic security and full citizenship reshaping the U S welfare state and laying the foundation for the disability rights movement

The Ethics of Homelessness: Philosophical Perspectives , 2020-01-20 This new and expanded edition of G John M Abbarno s anthology The Ethics of Homelessness underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society s materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy

Crippling the Archive Jenifer L. Barclay, Stefanie Hunt-Kennedy, 2025-08-05 How do we explain the conspicuous absence of disability from the histories we write What forces and factors create this dynamic How can disability be everywhere and nowhere present and absent and obvious and overlooked in both the historical record and historians interpretations of the past Jenifer L Barclay and Stefanie Hunt Kennedy edit a collection of interdisciplinary essays that consider how and why physical sensory intellectual and psychological disabilities are underrepresented erased or distorted in the historical record The contributors

draw on the methodology and practice of criping to uncover disability in contested archives and explore ways to build inclusive archives accountable to and centered on disabled people and disability justice Throughout they show ableness informing the politics of the archive as a physical space a discriminatory record and a collection of silences An essential contribution to research methods and disability justice Criping the Archive offers a blueprint for intersectional and interdisciplinary approaches that bridge disability studies history and archival studies
