The Freedom to Remember Angelyn Mitchell, 2002 The Freedom to Remember examines contemporary literary revisions of slavery in the United States by black women writers The narratives at the center of this book include Octavia E Butler's *Kindred* Sherley Anne Williams's *Dessa Rose* Toni Morrison's *Beloved* J California Cooper's *Family* and Lorene Cary's *The Price of a Child* Recent studies have investigated these works only from the standpoint of victimization Angelyn Mitchell changes the conceptualization of these narratives focusing on the theme of freedom not slavery defining these works as liberatory narratives These works create a space to problematize the slavery freedom dichotomy from which contemporary black women writers have the safe vantage point to reveal aspects of enslavement that their ancestors could not examine The nineteenth century female emancipatory narrative by contrast was written to aid the cause of abolition by revealing the unspeakable realities of slavery Mitchell shows how the liberatory narrative functions to emancipate its readers from the legacies of slavery in American society by facilitating a deeper discussion of the issues and by making them new through illumination and interrogation

Illusions of Freedom Jeffrey M Shaw, 2014-12-25 Contemporary technology has the potential to hinder humanity's attainment of freedom in the opinion of Thomas Merton and Jacques Ellul Both thinkers offer unique perspectives on the impact that they believe technology has had on society in the twentieth century and they both offer unconventional definitions of the concept of freedom Shaw compares their views on technology and its impact on freedom and in doing so allows those who may not be familiar with either of these thinkers to investigate some of their other writing more thoroughly

Contemplation and Freedom Benedict R. Shoup, Mary Frohlich, 2025-04-22 How does prayer shape action How does sustained engagement in deep prayer shape our very freedom to act This volume explores the relationship between Christian contemplative prayer and the exercise of freedom Over the past half century the desire for a better integration of spirituality and theology has emerged as a significant theme in theological writing While the question of freedom has not been absent from this discourse this volume highlights it by bringing it to the very center of the conversation Eleven theologians explore the dialectical relationship between contemplation and freedom by engaging with a wide array of

sources ranging from Maximus the Confessor to Edith Stein from Howard Thurman to Bernard Lonergan from the Tiberine martyrs to M Shawn Copeland This symphony of voices unveils the methodological fruitfulness of placing contemplative prayer at the center of life theory and practice **Toni Morrison** Lawrie Balfour,2023 In this study of Toni Morrison s writing Lawrie Balfour explores the idea of freedom through Morrison s novels and nonfiction Morrison s writing illuminates the meanings of freedom and unfreedom in a democratic society founded on both the defense of liberty and the right to enslavement Balfour considers how Morrison s writing ignites new ways of being free in the shadow of racial slavery and colonialism **Follow Me to Freedom** Shane Claiborne,2010-10 Followers of Christ yearn to see the world changed in compassionate positive effective ways As prophetic voices Shane Claiborne and John Perkins lead the way in this move to be the hands feet and heart of Jesus One is young the other is decades older One is a self proclaimed reformed redneck who grew up in the hills of Tennessee and now lives in inner city Philadelphia the other is an African American civil rights leader who was almost beaten to death by police in Mississippi and went on to found a reconciliation movement and counsel three American presidents Claiborne and Perkins draw on more than a century of combined following and learning activating and leading Together they craft a timely message for ordinary people willing to take radical steps to see real change happen They start with Moses as a model and proceed to re imagine the roles of leading and following in a world desperate for freedom

Life and Diary of David Brainerd Jonathan Edwards,2007-06-01 **Falling in Love with Where You Are** Jeff Foster,2013-11-24 Falling in Love with Where You Are invites readers to discover a deep YES to life no matter what they re going through to see crisis as an opportunity to heal pain as an intelligent messenger and imperfections as perfectly placed Through his prose and poetry Jeff Foster will guide provoke encourage and inspire readers on their lonely joyful and sometimes exhausting pathless journeys to the Home they never ever left the present moment The Diary of David Brainerd David Brainerd,1902 *JESUS NEVER WASTES PAIN* Keturah C. Martin,2014-05 This book is a credit to Jesus Christ who sustained the author through repeated and prolonged abuses of unmentionable proportions for several decades the 1 purpose of this book is to glorify Jesus who is the Great Physician of impossible shatters abuse and heart shreds even amid emotional comatose and poly fragmented dissociation the 2 purpose of the book is to identify with the broken rejected and abused and to commend you all for your strength and survival It is written as a voice for all the survivors of abuse and for those who may be currently trapped as a victim It is written as a source of inspiration to offer hope to those who are on the healing journey or desire to begin this journey to hope healing and freedom the 3 purpose of the book is as a resource for those who are open minded enough to be willing to learn how to understand and help the broken and abused and receive a deeper comprehension of the realities they face We cannot correctly represent Jesus if we cannot see the abused and brokenhearted through His eyes and heart When we truly see them through His heart and eyes we will be propelled into compassionate action just as Jesus was This book addresses and gives hope for abuse issues and aftermath on every level

that many may prefer to shove under the carpet This includes not only the various abuses out there but some of the aftermath such as extreme emotional agony suicide dissociation rejection PTSD and satanic bondage the enemy of our soul loves darkness and delights to feed on the unresolved anguish and footholds that are buried in his closets With God s help the enemy and his tactics must be exposed and those whom he has wounded and or holds captive must be freed for he is defeated through the blood of the Great Physician Jesus Christ
