Unstoppable Gospel Living Out The World Changing Vision Of Jesus's First Followers:

Unstoppable Gospel Gregg Matte, 2015-10-27 The path of least resistance is seldom the path of greatest impact This is a truth that the apostles knew intrinsically but from which we the modern church seem to shy away They boldly proclaimed the Gospel in season and out of season We want to avoid risk avoid stepping on toes avoid any bad publicity that might come with going out on a limb But much like the first rockets to leave Earth's atmosphere giant leaps forward in God's kingdom don't come without a big vision and a great big dose of risk In *Unstoppable Gospel* pastor Gregg Matte calls readers to take up the task of the early church and go change the world He shows how using ordinary everyday people has been God's plan from the beginning and how we all have a part in that plan He shares many practical ways Christians can get involved in their churches and communities to take advantage of the countless opportunities God provides for us to make a lasting kingdom impact in our world

Controversies in Mission Rochelle Cathcart Scheuermann, Edward L. Smither, 2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy and then 2 to engage in serious but charitable dialogue for the sake of God's mission and the salvation of all peoples

Into the Fray Matt Mikalatos, 2015-07-28 In the earliest days of the Christian church the gospel spread out from Jerusalem in a burst of incredible stories A man who could calm a stormy sea with a word who healed the lame and the blind who raised the ire of the religious leaders and who even raised people from the dead Compare this organic even entertaining method of spreading the Good News to how we are often encouraged to evangelize today with clever arguments and our defenses already up in anticipation of rebuttal Somewhere along the way we've lost the plot to the greatest story ever told Now Matt Mikalatos invites us back into God's story both to find our place in it and to rediscover the wonder that the apostles saw in their listeners as they told the story of Jesus the Messiah they knew personally and loved fiercely As they lose themselves in modern retellings of the events of the book of Acts readers will find that sharing the story is easier and more rewarding than they ever imagined

What Jesus Started Steve Addison, 2012-11-14 Sometimes we get so caught up in the power of Jesus shouting from the cross It is finished that we forget that Jesus started something too Uncovering the inner dynamics of Jesus's work with the disciples veteran church planter Steve Addison reminds us that Christianity is a movement with a unique design for expansion

The Jesus Revolution Dr Leith Anderson, 2010-09-01 The story of Jesus cannot be contained in a history of 33 years on an ancient strip

of land along the eastern shore of the Mediterranean Sea The group of 120 followers Jesus empowered transformed the world with the good news of redemption and reconciliation he preached In this journey through the book of Acts discover the leaps of faith taken by the early church to spread the news of the miracles they d witnessed and the message they d received Their story carries us his current followers into our future Their devotion and perseverance challenges us to step out in faith and make a difference in Jesus name We can experience Jesus presence and power as the early church did and be part of the ongoing movement to change the world with his revolutionary message <http://www.cokesbury.com/media/video/abingdonpress/LeithsInterview.aspx>

The Vision of His Glory Anne Graham Lotz, 1997-05-16 With a focus on Jesus Christ Anne Graham Lotz brings clarity and understanding to the book of Revelation Lotz explains God s faithfulness regardless of circumstance All who feel depressed deluded or discouraged can find hope in all of life s difficult situations When life seems too small and problems seem too great when personal insignificance outweighs God s significance when overwhelmed by the ungodly majority or when facing death or choosing life Sharing her passion for God s word Anne Graham Lotz leads the reader step by step through the apostle John s glorious eyewitness account of God s plan for our future

Following Jesus David Lowry, 2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God s compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God s presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus s followers gathered by Jesus to be sent out we exercise true society altering witness
