The Just Man Mel Mae Schmidt, 2018-05-22 Once upon a time there lived a little heart in the chest of a just man This man was good and full of mercy But the little heart wanted to get to know the world and so one day it set out into the world It jumped out of the man's chest and moved away But now this just man had no heart any more and he became cruel and emotionally cold People began to be afraid of him Meanwhile the heart was on a journey around the world Innocent as it was it believed only in the good never had it had to experience atrocities But from then on out in the big wide world it found only evil Bad hearts made his acquaintance It taught them its virtues and tried to change the bad hearts Will the heart make it Will it ever return to the just man's chest And what happens to this man Will he remain heartless forever

The Monsanto Papers Carey Gillam, 2021-03-02 Lee Johnson was a man with simple dreams All he wanted was a steady job and a nice home for his wife and children something better than the hard life he knew growing up He never imagined that he would become the face of a David and Goliath showdown against one of the world's most powerful corporate giants But a workplace accident left Lee doused in a toxic chemical and facing a deadly cancer that turned his life upside down In 2018 the world watched as Lee was thrust to the forefront of one of the most dramatic legal battles in recent history The Monsanto Papers is the inside story of Lee Johnson's landmark lawsuit against Monsanto For Lee the case was a race against the clock with doctors predicting he wouldn't survive long enough to take the witness stand For the eclectic band of young ambitious lawyers representing him it was a matter of professional pride and personal risk with millions of dollars and hard earned reputations on the line For the public at large the lawsuit presented a question of corporate accountability With enough money and influence could a company endanger its customers hide evidence manipulate regulators and get away with it all for decades Readers will be astounded by the depth of corruption uncovered captivated by the shocking twists and moved by Lee's quiet determination to see justice served With gripping narrative force that reads like fiction The Monsanto Papers takes readers behind the scenes of a grueling legal battle pulling back the curtain on the frailties of the American court system and the lengths to which lawyers will go to fight corporate wrongdoing
