Upside Down Madness Murder And The Perfect Marriage:

Upside Down Jerid M. Fisher, 2013-08-30 Timothy Wells and Christine Sevilla's love was inspiring. Married for almost twenty years, the husband and wife passionately adored each other. Friends, family, and acquaintances all wished to have a relationship as solid as that of Tim and Christine. There was no sign that their marriage was anything less than ideal until the day Wells brutally murdered his wife. This deep, disturbing exploration of the psyche of Timothy Wells is not a whodunit but a whydunit. Written with Wells's cooperation, this riveting account thoroughly presents the circumstances leading up to Sevilla's murder. It features interviews and letters from the Wells and Sevilla families, as well as testimony from friends, neighbors, and ex-spouses. Trapped inside his own mind, Wells' emotional insecurities left him with no escape from his severe depression and swiftly multiplying anxieties. In chilling detail, this true narrative traces the path of a man doomed by his own inner demons.

My Dad Got Hurt. What Can I Do?: Helping Military Children Cope with a Brain-Injured Parent National Academy of Neuropsychology Foundation, 2017-07-31 This book offers young readers practical coping tools to empower children to feel confident about themselves and become a more active participant in his or her injured parent's life. Every day, many children watch as a parent goes off to a military assignment, often in dangerous situations. Most children will later welcome home their parents who served without incident. Others, however, will greet a parent who suffered a head injury, which changes all their lives. While brain injury is a complex topic, it is an unfortunate fact that certain types of brain injuries, which are all too common in military personnel, affect a person's behaviors, such as mood and temper. A previously kind and loving parent may become irritable, short-fused, and be intolerant of frustration after a brain injury. To a child, this change can be scary and overwhelming. Children may not understand why Mom or Dad is so different and may blame themselves.

The Notorious Elizabeth Tuttle Ava Chamberlain, 2012-10-31 In this compelling and meticulously researched work of micro history, Ava Chamberlain unearths a fuller history of Elizabeth Tuttle. It is a violent and tragic story in which anxious patriarchs struggle to govern their households, unruly women disobey their husbands, mental illness tears families apart, and loved ones die sudden deaths.

Arthur's Home Magazine, 1870 **Prohibition Madness** Claudine Burnett, 2013-02-06 Throughout America, cocktail parties sparkled defiantly through the dreaded first minutes of January 20, 1920. With morning would come the official start of Prohibition. It was easy, however, to keep the party going in Long Beach, California. Though Long Beach had been dry throughout most of its history, illegal liquor distribution throughout the city was already perfected by the time the 18th Amendment banning the sale of most alcoholic beverages became law. Already in place were underground booze operations, secretive speakeasies, and bootlegging, the perfect staging ground for crime, corruption, AND murder. READ ABOUT Oil: The one discovery that made Long Beach different from the rest of 1920's and 30's America and would change the life of the city in many unforeseen ways. Good vs. Evil: Murders, gun battles, lawlessness; the city was a battleground between the influences of good and evil. Involved in the battle was the Ku Klux Klan, Communists, rum runners,

bootleggers gangsters and corrupt politicians MEET Hollywood celebrities William Desmond Taylor Fatty Arbuckle and other well known figures who ended up dead or their careers ruined because of rampant corruption and illicit booze Gangsters such as Al Capone's henchman Ralph Sheldon who gunned down Long Beach policeman William Waggoner and got away with it Bootleggers like Thomas Johnstone murdered by his wife when he refused to give up his nefarious profession Oil swindlers many influenced by C C Julian and his Ponzi scheme that bilked thousands out of their life savings Murderers such as Bluebeard Watson who killed most of his 15 wives until one of them became suspicious These are just a few of the individuals and matters discussed in this eye opening account of Long Beach and Southern California during the 1920 s and 30 s
