Michael Brown

Us Army Special Operations Target Interdiction Course Sniper Training And Employment:

U.S. Army Special Operations Target Interdiction Course U.S. Army, 1999-09-01 This is the official manual used by the U S Army to train snipers in support of Special Operations Forces SOF missions It covers sniper team selection organizationa dn employments equipment requirements marksmanship training field skills terrain considerations ammunition and more *U.S. Army Special Operations Target Interdiction Course SOTIC Sniper Course Training Materials* , 1

PURPOSE To provide the United States Army Special Operations Command with the information necessary to prepare students for the SOTIC 2 General a Purpose of the SOTIC To train selected personnel in the technical skills and operational procedures necessary to deliver precision rifle fire from concealed positions to selected targets in support of special operations forces Course emphasis it to provide the force with personnel who can achieve first round hits from a cold barrel on these high value targets Additionally personnel will be able to correct for wind and determine the previous round s bullet trace to achieve second round hits if necessary b Course Length The SOTIC is a six week course conducted at Fort Bragg North carolina Students will be attached to Company D 2d Battalion 1st Special Warfare Training Group Airborne U S Army John F Kennedy Special Warfare Center and School Fort Bragg North Carolina 28307 5200 c Class Size 1 Maximum 24 students 2 Optimum 24 students 3 Minimum 8 students d Prerequisites Students must meet the following prerequisites Students who fail to meet these prerequisites will be returned untrained to their parent unit 1 Must be currently assigned to or on orders to a Special Forces detachment of Ranger company currently Ranger qualified or Special Forces qualified or selected Department of Defense personnel 2 Must have a current periodic physical Students must have their medical records with them when they report for inprocessing Vision must be correctable to 20 20 in each eye 3 Must have in their possession a memorandum from their unit commander certifying that the student has scored expert with the M16A1 M16A2 rifle in accordance with FM 23 9 M16A1 Rifle and M16A2 Rifle Marksmanship July 1989 within 12 months of the reporting date 4 Must have undergone a psychological evaluation Minnesota Multi phasic Personality Inventory under the direction of a qualified psychologist within 12 months of the reporting date A copy of the evaluation must be presented on the course starting date 5 Must have in their possession an original verification of their security clearance copies unacceptable dated no earlier than 30 days prior to the course starting date 6 Must meet the Army height and weight standards as prescribed in AR 600 9 Height and Weight Standards 7 Must currently be on jump status and be medically qualified to participate in airborne operations Course Training Materials **CONTENTS** Just some of the topics covered SNIPER LOG RANGE CARD SNIPER SITE ADJUSTMENT ZERO SNIPER WEATHER WIND FACTORS SNIPER INDIVIDUAL MOVEMENT SNIPER TRACKING COUNTERTRACKING SNIPER MARKSMANSHIP SNIPER ESTIMATE JUDGE DISTANCE and SNIPER OBSERVER BALLISTICS *Special Forces Sniper Training and Employment - FM 3-05. 222 (TC 31-32)* Department of Department of the Army, John F. John F. Kennedy Special Warfare Center and School, 2017-07-31 100% of this book s proceeds will be

donated to two military charities the Special Operation Warrior Foundation and the Sua Sponte Foundation The Special Forces Sniper Course formerly the Special Operations Target Interdiction Course SOTIC is the premier sniper training course in the world Top members of all branches of special operations are able to attend this prestigious course on a limited selection basis This book is the official manual for the course It is not the best resource for how to be a sniper or how to shoot long range Instead it is a reference manual If you re looking for long range shooting instruction check out the Long Range Shooting Handbook This is a large desk top bookshelf 8 5x11 sized copy Unlike other versions of this book for sale check their feedback this book is properly formatted with text large enough to actually read **To Be a Military Sniper** Gregory Mast,Hans Halberstadt,2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer clearly described and illustrated *Enemy Inside The Gates: Snipers In Support Of Military Operations In Urbanized Terrain* Lt.-Colonel Jeffery E. Dearolph USMC,2014-08-15 As the world s urban areas continue to increase in size the possibility of U S forces conducting military operations in urbanized terrain also increases However the weapon systems the U S procures and employs obtain maximum effectiveness in open terrain These weapons prove less capable in urban terrain since their standoff and precision advantages suffer degradation due to buildings and the fleeting nature of enemy personnel U S weaponry also causes a large amount of collateral damage that may also result in civilian casualties which proves politically unacceptable Potential adversaries of the U S realize these limitations and present a target set that proves difficult to locate and engage The target set the enemy uses in urban terrain consists of enemy combatants mixing with non combatants enemy snipers and special purpose teams Assets the U S possesses that can engage elements of the enemy s urban target set include U S Army and Marine Corps snipers However a determination on whether more snipers will effectively defeat the target set requires consideration This monograph analyzes the contemporary operating environment to articulate the enemy s urban target set Next a review of current U S Army and Marine Corps sniping doctrine organization and training establishes the foundation for presenting the sniper s capability to defeat the urban target set In order to provide a balanced argument other possible solutions to engaging and defeating the target set receive consideration Research shows that the sniper company organized at the division level achieves the desired effect of increasing the density of sniper teams on the urban battlefield The costs associated with the sniper company prove acceptable as it requires minimal expenditure concerning personnel and equipment The division sniper company will effectively counter the enemy s urban target set without causing non combatant casualties **US Special Operation Forces Handbook Volume 3 US Army Special Operation Forces: Strategic Information and Materials** IBP USA, Navy SEAL Sniper Glen Doherty,Brandon Webb,2017-01-03 The sniper is a battlefield threat second to none Mastering the art of marksmanship is critical but is only part of what makes a Navy SEAL sniper Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness Today s sniper must not just leverage

technological advances but also have the foreknowledge to select the best rifle and gear for the mission Increasingly he must have the mental toughness to adapt to a constantly changing environment gather intelligence and truly act as a force multiplier In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty the authors reveal not just the fundamentals of marksmanship but also the science of shooting stalking and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper Including maritime helicopter and urban sniper operations this updated edition also goes into detail on the latest research development testing and evaluation of weapons and optics From the basics like compensating for wind and bullet drop to camouflage and placing yourself or your team in the best position to take a photo or pull a trigger Webb and Doherty cover the critical elements that comprise the twenty first century sniper

Modern Snipers Leigh Neville, 2016-08-25 The years since 9 11 have seen major changes in the way snipers are employed on the modern battlefield alongside an incredibly rapid evolution in their weapons equipment and training This book covers the 14 years of near constant warfare since the dawn of the 21st century documenting where when and how snipers have been deployed their rifles optics and their ancillary equipment such as laser range finders their training and tactics and accounts of real life operations involving sniper teams The wars in Iraq and Afghanistan have reaffirmed the importance of snipers in both conventional and unconventional warfare and this study covers these developments in depth as well as looking at the role of the sniper in police and counterterrorism environments

Soldier of Fortune, 2008

Modern American Snipers Chris Martin, 2014-12-16 An inside look at today s special operations sniper and an in depth look at the career of Chris Kyle from those who knew him and fought alongside him Most people think of snipers as shooters perched in urban hides dealing out death unseen from a considerable distance But this description barely scratches the surface Special operations snipers are men with stacked skill sets who have the ability to turn the tide of battles even when they aren t pulling the trigger Snipers have played an outsized role in the War on Terror that has earned them the Medal of Honor Navy Cross and countless other honors These are the most experienced warriors on the battlefield oftentimes the units best assaulters with years of door kicking under their belt These are the men who run ops in small teams across borders or dress like locals and pull off high risk vehicle reconnaissance and singleton missions in non permissive environments Chris Martin s *Modern American Snipers* tells the inside story of some of the most heroic patriots in recent American history by the friends and colleagues who knew them best including The Legend Chris Kyle SEAL Team 3 Chief and the most lethal sniper in U S military history The Reaper Nick Irving the first African American to serve as a sniper in the 3rd Ranger Battalion and its deadliest with 33 confirmed kills Robert Horrigan Delta sniper who played a critical role in Operation Anaconda Don Hollenbaugh Delta Operator who earned the Distinguished Service Cross while embedded with a Marine platoon in the First Battle of Fallujah And many more

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Us Army Special Operations Target Interdiction Course Sniper Training And Employment eBooks, including some popular titles.

FAQs About Us Army Special Operations Target Interdiction Course Sniper Training And Employment Books

What is a Us Army Special Operations Target Interdiction Course Sniper Training And Employment PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Us Army Special Operations Target Interdiction Course Sniper Training And Employment PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Us Army Special Operations Target Interdiction Course Sniper Training And Employment PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Us Army Special Operations Target Interdiction Course Sniper Training And Employment PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Us Army Special Operations Target Interdiction Course Sniper Training And Employment PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
