US Immigration Reform and Its Global Impact E. Camayd-Freixas, 2013-08-20 An insider's account of the Postville case this book gauges the raid's human social and economic impact based on interaction with the main participants and interviews with local citizens and arrestees in the US and Guatemala

Life Interrupted Denise Brennan, 2014-03-18 Having spent nearly a decade following the lives of formerly trafficked men and women Denise Brennan recounts in close detail their flight from their abusers and their courageous efforts to rebuild their lives *Life Interrupted* is a riveting account of life in and after trafficking and a forceful call for meaningful immigration and labor reform

Interpreting in a Changing Landscape Christina Schäffner, Krzysztof Kredens, Yvonne Fowler, 2013-11-06 This book of selected papers from the Critical Link 6 conference addresses the impact of a rapidly changing reality on the theory and practice of community interpreting The recent social political and economic developments have led to phenomena of direct concern to the field for example multilingualism in traditionally monolingual societies the emergence of rare language pairs or new language related problems in immigration application procedures social welfare institutions and prisons Responding to the need for critical reflection as well as practical solutions the papers in this volume approach the changing landscape of community interpreting in its diversity They deal with political social cultural institutional ethical technological professional and educational aspects of the field and will thus appeal to academics practitioners and policy makers alike Specifically they explore topics such as interpreting roles communication strategies ethics vs practice interpreting vs culture brokering interpreting strategies in different interactional contexts and interpreter training and education

Immigration Policy and the Shaping of U.S. Culture Roger White, 2018-02-23 The author examines the relationships between immigration policy observed immigration patterns and cultural differences between the United States and immigrants source countries The entirety of U S immigration history 1607 present is reviewed through a recounting of related legislative acts and by examining data on immigrant inflows and cross societal cultural distances

Ethics in Public Service Interpreting Mary Phelan, Mette Rudvin, Hanne Skaaden, Patrick Kermit, 2019-10-16 This is the first book to focus solely on ethics in public service interpreting Four leading researchers from across Europe share their expertise on ethics the theory behind ethics types of ethics codes of ethics and what it means to be a public service interpreter This volume is highly innovative in that it provides the reader with not only a theoretical basis to explain why underlying ethical dilemmas are so common in the field but it also offers guidelines that are explained and discussed at length and illustrated with examples Divided into three Parts this ground breaking text offers a comprehensive discussion of issues surrounding Public Service Interpreting Part 1 centres on ethical theories Part 2 compares and contrasts codes of ethics and includes real life examples related to ethics and Part 3 discusses the link between ethics professional development and trust *Ethics in Public Service Interpreting* serves as both an explanatory and informative core text for students and as a guide or reference book for interpreter trainees as well as for

professional interpreters and for professionals who need an interpreter's assistance in their own work How Iowa Conquered the World Michael Rank, Iowa is considered a backward farm state full of bumpkins who wear Carhartt jackets and do little besides give the world corn But what if that understanding is wrong What if Iowa has done more to influence the modern world than any other population group Turns out it has In this new book by 1 best selling author Michael Rank himself a native Iowan he discovers how this underdog state Saved billions of people from starvation in the 20th century Created Silicon Valley in the 1960s and inspired the startup culture of egalitarianism and hoodies Decides who will win the presidential election every four years Was the multicultural center of America and hosted more utopian communes and transcendental meditation centers than any other place in the United States Created the General American English accent spoken by all actors and broadcasters People the world over are learning to speak like an Iowan even if they don't know it This book tells the story of Iowa's outsized influence on global events but it is more importantly about how an underdog can defy the odds and truly make a lasting impact on the world **Translation and Epistemicide** Joshua Martin

Price, 2023-01-03 Translation has facilitated colonialism from the fifteenth century to the present day Epistemicide which involves destroying marginalizing or banishing Indigenous subaltern and counter hegemonic knowledges is one result In the Americas it is a racializing process But in the hands of subaltern translators and interpreters translation has also been used as a decolonial method The book gives an account of translation as epistemicide in the Americas drawing on a range of examples from the early colonial period to the War on Terror The first chapters demonstrate four distinct operations of epistemicide the commensuration of worlds the epistemic marginalization of subaltern translators and the knowledge they produce the criminalization of translators and interpreters and translation as piracy or extractivism The second part of the book outlines decolonial translation strategies including an epistemic posture the author calls bewilderment Translation and Epistemicide tracks how through the centuries translation practices have enabled colonialism and resulted in epistemicide or the destruction of Indigenous and subaltern knowledge **Guatemala-U.S. Migration** Susanne Jonas, Nestor

Rodríguez, 2015-01-05 Guatemala U S Migration Transforming Regions is a pioneering comprehensive and multifaceted study of Guatemalan migration to the United States from the late 1970s to the present It analyzes this migration in a regional context including Guatemala Mexico and the United States This book illuminates the perilous passage through Mexico for Guatemalan migrants as well as their settlement in various U S venues Moreover it builds on existing theoretical frameworks and breaks new ground by analyzing the construction and transformations of this migration region and transregional dimensions of migration Seamlessly blending multiple sociological perspectives this book addresses the experiences of both Maya and ladino Guatemalan migrants incorporating gendered as well as ethnic and class dimensions of migration It spans the most violent years of the civil war and the postwar years in Guatemala hence including both refugees and labor migrants The demographic chapter delineates five phases of Guatemalan migration to the United States since the late 1970s with

immigrants experiencing both inclusion and exclusion very dramatically during the most recent phase in the early twenty first century This book also features an innovative study of Guatemalan migrant rights organizing in the United States and transregionally in Guatemala Central America and Mexico The two contrasting in depth case studies of Guatemalan communities in Houston and San Francisco elaborate in vibrant detail the everyday experiences and evolving stories of the immigrants lives

Dream Chasers John Tirman, 2015-03-13 How the immigration battle plays out in America from curriculum disputes to federal raids to the civil rights activism of young Dreamers Illegal immigration continues to roil American politics The right wing media stir up panic over anchor babies job stealing welfare dependence bilingualism al Qaeda terrorists disguised as Latinos even a conspiracy by Latinos to retake the Southwest State and local governments have passed more than 300 laws that attempt to restrict undocumented immigrants access to hospitals schools food stamps and driver s licenses Federal immigration authorities stage factory raids that result in arrests deportations and broken families and leave owners scrambling to fill suddenly open jobs The DREAM Act which would grant permanent residency to high school graduates brought here as minors is described as amnesty And yet polls show that a majority of Americans support some kind of path to citizenship for those here illegally What is going on In this book John Tirman shows how the resistance to immigration in America is more cultural than political Although cloaked in language about jobs and secure borders the cultural resistance to immigration expresses a fear that immigrants are changing the dominant white Protestant real American culture Tirman describes the raid mentality of our response to immigration which seeks violent solutions for a social phenomenon He considers the culture clash over Chicano ethnic studies in Tucson examines the consequences of an immigration raid in New Bedford and explores the civil rights activism of young Dreamers The current round them up deport them militarize the border approach Tirman shows solves nothing

Orientalism and Identity in Latin America Erik Camayd-Freixas, 2013-03-14 Building on the pioneering work of Edward Said in fresh and useful ways contributors to this volume consider both historical contacts and literary influences in the formation of Latin American constructs of the Orient and the Self from colonial times to the present In the process they unveil wide ranging manifestations of Orientalism Contributors scrutinize the other great encounter not with Europeans but with Arabic Chinese and Japanese cultures as they marked Latin American societies from Mexico Central America and the Caribbean to Peru Argentina and Brazil The perspectives experiences and theories presented in these examples offer a comprehensive framework for understanding wide ranging manifestations of Orientalism in Latin America and elsewhere in the developing world Orientalism and Identity in Latin America expands current theoretical frameworks juxtaposing historical biographical and literary depictions of Middle Eastern and Asian migrations both of people and cultural elements as they have been received perceived refashioned and integrated into Latin American discourses of identity and difference Underlying this intercultural dialogue is the hypothesis that the discourse of Orientalism and the process of Orientalization apply equally to Near Eastern and Far Eastern subjects

as well as to immigrants regardless of provenance and indeed to any individual or group who might be construed as Other by a particular dominant culture
