

A cosmic scene featuring a bright, glowing star in the upper center, surrounded by a vibrant, multi-colored nebula in shades of blue, green, and purple. The background is a deep black space filled with numerous small, distant stars. In the lower foreground, the curved horizon of the Earth is visible, showing a mix of blue oceans, brown landmasses, and white clouds. The overall composition suggests a theme of space, nature, and the connection between the celestial and the terrestrial.
