Sample Book Insights

- 1 The popularity of Jesus among the people of Galilee was controversial as it made it difficult for Him to preach the truth Instead of exploiting His fame He began to emphasize the very things that made His message so controversial
- 2 The process of choosing and calling the Twelve apostles happened in distinct stages Christ chose them before they chose Him and he invested most of his energies in them
- 3 The Twelve were chosen by Christ to be his apostles They were sent out two by two and Christ stayed with them to support them They were constantly checking in with Christ and after a couple of seasons of evangelistic labor they returned to Christ and remained with Him for an extended time of teaching ministry and fellowship
- 4 The timing of this event is significant Luke notes this with his opening phrase in Luke 6 12 Now it came to pass in those days which refers to a period of time when the opposition to Jesus peaked Jesus knew that His earthly ministry would have to be handed off to someone else so He chose twelve apostles

Twelve Ordinary Men David Vandebulque, 2019 [Dua Belas Orang Biasa \(Twelve Ordinary Men\)](#) John MacArthur, 2025-02-07 This is an Indonesian translated edition You don't have to be perfect to do God's work Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament Join bestselling author John MacArthur in *Twelve Ordinary Men* as he draws principles from Christ's careful hands on training of the original disciples for today's modern disciple you Jesus chose ordinary men fishermen tax collectors political zealots and turned their weakness into strength producing greatness from people who were otherwise unremarkable The twelve disciples weren't the stained glass saints we imagine On the contrary they were truly human all too prone to mistakes misstatements wrong attitudes lapses of faith and bitter failure Simply put they were flawed people just like us But under Jesus teaching and touch they became a force that forever changed the world MacArthur takes

you into the inner circle of the disciples their selection their training their personalities and their incredible impact As MacArthur took a closer look at the lives of the twelve disciples he found himself asking difficult questions along the way including Why did Jesus pick each of the twelve disciples How did Jesus teach them everything he could in just eighteen short months Can the lessons that Jesus taught the disciples can still influence our faith today In *Twelve Ordinary Men* you ll learn that disciples are living proof that God s strength is made perfect in weakness As you get to know the men who walked with Jesus you ll see that if he can accomplish his purposes through them he can do the same through you *Twelve Ordinary Men* R C Hetrick,2022-10-04 I tried to communicate the human side of some of Christ s disciples Too many of us think of these guys as saints Although they did amazing and miraculous things for the kingdom of God they were as ordinary as you and me until their encounter with Jesus Christ Then and only then were they able to accomplish what they did for the Lord My prayer is that when you read this book you might realize that you too can have the same power the disciples had to reach people in your sphere of influence After all we have the same spirit and serve the same God the God of Abraham Isaac and Jacob the God of the Bible Please feel free to reach out to the author directly by emailing twelveordinarymen@gmail.com
