Spiritual Awakening - Volume I** Steven Payeur, 2011-06-15 Notes and Quotes Steps to Spiritual Awakening portrays the
ancient wisdom the underlying truths of all great religions in plain language that Everyman can understand without difficulty
With no sectarian bias the simple truths by which the manifested universe operates are explained and how by living in accord
with these laws natural laws one can greatly enhance the quality of one s current life and even more so one s future life The
author draws on twenty years of extensive studies of over 150 books of Wisdom teachings from the world s major religions
and philosophies with a life of exploring the teachings of the wise of all times and cultures With an open mind and only after
going within the author followed the common thread underlying these great wisdom teachings to discover the commonalities
Based on this discovery with much trial and error in the process due to lack of a book like this one the author found spiritual
awakening the Light within *12 Steps to a Lightness of Being* Sarah Goddard Neves, 2013-10-25 This unique book has been
designed as if you were taking a very special spiritual development course in the comfort of your own home Through its
wisdom and guided meditations 12 Steps to a Lightness of Being will gradually but surely lift your vibration and awaken you
Therefore to get the most out of it decide now not to rush it but to read it slowly Take as long as you need on each step
before moving on to the next Commit to doing each meditation or visualization giving yourself some quiet undisturbed time to
do this and recall your meditation experiences and insights afterward By doing so you will get the most out of reading this
book The 12-Step Buddhist 10th Anniversary Edition Darren Littlejohn, 2019-11-19 Rediscover the classic guide for
recovery with this tenth anniversary edition that transcends genres by seamlessly integrating the 12 Step approach Buddhist
principles and a compelling personal struggle with addiction and a quest for spiritual awakening Donald Altman author of
Living Kindness The face of addiction and alcoholism is recognizable to many it may be a celebrity a colleague or even a
loved one And though the 12 step program by itself can often bring initial success many addicts find themselves relapsing
back into old ways and old patterns or replacing one addiction with another Working with the traditional 12 step philosophy
Darren Littlejohn first shares his own journey and how he came to find the spiritual solace that has greatly enhanced his life
in recovery Then he details out how his work integrating Buddhism into the traditional 12 step programs validates both
aspects of the recovery process With accessible prose and in depth research he illustrates how each step such as admitting
there is a problem seeking help engaging in a thorough self examination making amends for harm done and helping other
addicts who want to recover fits into the Bodhisattva path This integration makes Buddhism accessible for addicts and the 12
steps understandable for Buddhists who may otherwise be at a loss to help those in need The 12 Step Buddhist is designed to

be a complimentary practice to the traditional 12 step journey not a replacement While traditional programs help addicts become sober by removing the drug of choice and providing a spiritual path they rarely delve deep into what causes people to suffer in the first place In this unique synthesis of the traditional 12 Step model and the liberating wisdom of Dharma Mandala Magazine addicts can truly find a deep spiritual liberation from all causes and conditions of suffering for good

Close to the Ground Geri Larkin, 2016-08-01 After the bliss and emptiness we might be lucky enough to experience along our spiritual path what's left are the karmic knots of conditioning that still need to be undone if we are going to be of any genuine help to anybody Untying them is the work of spiritual warriors that is all of us The seven factors of enlightenment are a means to loosen these knots all the while keeping us upright in our efforts The seven factors include mindfulness investigation of phenomena energetic effort ease joy concentration and equanimity In *Close to the Ground* longtime Buddhist teacher Geri Larkin tells stories from her own life to illuminate some of the gifts that these factors bring Because she refuses to be anything special Larkin's stories are all of our stories her humor all of our humor her heartbreaks all of our heartbreaks In reading this book you may discover that you have many more tools that can help with this work of life and death than you thought
