Twenty Seven Minutes To Midnight 2015 Edition:

Countdown John Burrows, 2015-09-02 Saddam Hussein sought great power and prestige in the Middle East He had been secretly researching and developing nuclear weapons for years and he was determined to use them against Israel He started his Middle East expansion in 1990 when he invaded Kuwait It was obvious that Saudi Arabia would be his next target However Saudi Arabia called in their old American and British friends who with modern weaponry put the Iraqi military and National Guard into an embarrassing and bloody retreat It had never been the intention of America and Britain to continue on into Iraq so Saddam was allowed to have what remained of his army Maybe we thought that that would be the end of things but we were wrong Saddam was hatching a devilish plan which would bring Israel America and Britain to their knees This story starts with three seemingly disconnected murders in different parts of the world and it ends with a terrible race against time in London and New York

Signs and Seasons Melanie Shubitowski, 2019-12-04 What is the evidence that we are truly living in the last days described in the Bible Even the disciples thought Jesus would return in their lifetime and people for centuries have looked at this event or that event and thought the end days were upon them so how are the world events of today different from those before Is there something going on today that is unprecedented throughout human history In *Signs and Seasons* you ll discover an eye opening and thought provoking journey through the signs evident in our world today What are the signs we should be watching for Are the signs evidence of an event to happen immediately or are they part of a bigger picture Explore the signs from the past that were outlined in the Bible that have been fulfilled and what lies ahead for the human race Discover how scientific and archeological finds actually help support the truth of scripture Uncover what is not being told by the media and how world events relate to prophecy foretold long ago What is the season that was foretold and how do we recognize and prepare for it Are the prophecies told centuries ago something to fear and avoid or is there a real reason for hope in all the chaos and
