Twisted Perfection Abbi Glines, 2013-06-17 From the author of the red hot Vincent Boys Sea Breeze and Too Far novels comes another steamy romance Can you handle bad boy Woods My future was about to be completely thrown off track because Della Sloane was under my skin and I had to have her I couldn't ignore it anymore I'd gotten close enough to her to see deeper Della Sloane is not your average girl Yearning to break free of her dark and sheltered past Della plans a solo road trip to experience real life on her own terms But the trip is nearly cut short in the little beach town of Rosemary when she realizes she can't even pump her own gas until Woods Kerrington shows up more than willing to help out a pretty girl in need Woods's family wants him to settle down with a wealthy woman in pearls but he can't resist this carefree girl in cutoffs passing through town A one night stand should have been enough but months later Woods can't get the irresistible Della out of his head When a twist of fate brings Della back to Woods all signs point to trouble if they don't keep their distance Neither is truly free and a relationship could destroy both of them With their hearts on the line Della thinks the safest bet is to walk away But Woods isn't about to let that happen

Twisted Together Pepper Winters, 2014-06-03 The highly anticipated conclusion to the Monsters in the Dark series complete at 175 000 words After battling through hell I brought my slave back from the brink of ruin I sacrificed everything my heart my mind my very desires to bring her back to life And for a while I thought it broke me that I'd never be the same But slowly the beast is growing bolder and it's finally time to show Tess how beautiful the dark can be Q gave everything to bring Tess back In return he expects nothing less Tess may have leashed and tamed him but he's still a monster inside After surviving the darkness a new dawn has begun Twisted Together wades through black to grey chasing the light of true love to banish the shadows forever Pain is a requirement connection a necessity But ultimately Q and Tess must face their demons before they can embrace their future
